

# INTERLOCK® 30 CAL (0.308') BOAT TAIL SPIRE POINT RIFLE BULLETS - INTERLOCK® 30 CALIBER (0.308") 180GR BTSP 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Hornady's traditional line of bullets feature exposed lead tips for controlled expansion and hard-hitting terminal performance. Most have Hornady's pioneering secant ogive design — one of the most ballistically efficient profiles ever developed (see diagram to right). Most feature Hornady's exclusive InterLock® design — a raised ring inside the jacket that is embedded in the bullet's core that keeps the core and jacket locked together during expansion to retain mass and energy. FEATURES Inner Grooves - Strategically weaken the upper section of the jacket, ensuring consistent, controlled expansion, even at long range. Tapered Jacket - Jacket thickness is precisely controlled for expansion at all velocities. One-Piece Core - Does not separate like two-piece divided cores. The InterLock® retains more mass and energy for deep penetration and large, consistent wound channels that ensure quick, clean kills. Cannelure - Provides accurate and consistent crimping and also works with InterLock® ring to ensure the core and jacket remain locked during expansion. InterLock® Ring - The raised InterLock® ring is embedded in the bullet's core, ensuring the core and jacket are locked in one piece during expansion to retain mass and energy.

## Attributes

- Name: [INTERLOCK® 30 CALIBER \(0.308"\) 180GR BTSP 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749003564
- Mfr. No.: 3033
- Ballistic Coefficient (G1): 0.349
- Brand Style: InterLock
- Bullet Style: Boat Tail Spire Point (BTSP)
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 150
- Sectional Density: 0.226
- Quantity: 100
- Delivery weight: 1.225kg
- Shipping height: 56mm
- Shipping width: 69mm
- Shipping length: 107mm
- UPC: 090255230338

# Safety Instruction Guide for INTERLOCK® 30 CAL (0.308") Boat Tail Spire Point Rifle Bullets

## Introduction

Thank you for choosing Hornady INTERLOCK® 30 CAL (0.308") Boat Tail Spire Point Rifle Bullets. This guide provides essential safety information and usage instructions to ensure your safety and the efficient performance of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the product is stored in a cool, dry place away from direct sunlight and moisture.
- Keep all ammunition out of the reach of children and unauthorized users.
- Always handle ammunition with care and follow all safety protocols related to firearms.
- Use only in firearms that are designed for .30 caliber ammunition.
- Be aware of your surroundings and ensure a safe shooting environment before use.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Do not attempt to modify or disassemble the bullets.
- Check for any visible damage to the bullets before use. Do not use damaged bullets.
- Follow the manufacturer's loading data carefully to avoid overcharging.
- Be aware of the potential hazards associated with shooting, including ricochets and noise.

## Instructions for Installation and Usage

### 1. Loading the Bullets:

- Ensure that your reloading workspace is clean and free from distractions.
- Use the appropriate tools and equipment for reloading .30 caliber ammunition.
- Follow the reloading data provided by Hornady or other reputable sources.
- Carefully seat the bullets to the recommended overall length for optimal performance.

### 2. Shooting:

- Always ensure your firearm is pointed in a safe direction.
- Load the firearm only when ready to shoot.
- After firing, maintain awareness of your target and beyond.
- Clean your firearm regularly to ensure optimal performance and safety.

### 3. Storage:

- Store bullets in their original packaging or a designated ammunition container.
- Keep the storage area locked and secure to prevent unauthorized access.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please refer to the manufacturer's website or customer service resources for assistance.

Thank you for prioritizing safety while using Hornady INTERLOCK® 30 CAL (0.308") Boat Tail Spire Point Rifle Bullets. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
