

INTERLOCK® 30 CAL (0.308') BOAT TAIL SPIRE POINT RIFLE BULLETS - INTERLOCK® 30 CALIBER (0.308") 180GR BTSP 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Hornady's traditional line of bullets feature exposed lead tips for controlled expansion and hard-hitting terminal performance. Most have Hornady's pioneering secant ogive design — one of the most ballistically efficient profiles ever developed (see diagram to right). Most feature Hornady's exclusive InterLock® design — a raised ring inside the jacket that is embedded in the bullet's core that keeps the core and jacket locked together during expansion to retain mass and energy. FEATURES Inner Grooves - Strategically weaken the upper section of the jacket, ensuring consistent, controlled expansion, even at long range. Tapered Jacket - Jacket thickness is precisely controlled for expansion at all velocities. One-Piece Core - Does not separate like two-piece divided cores. The InterLock® retains more mass and energy for deep penetration and large, consistent wound channels that ensure quick, clean kills. Cannelure - Provides accurate and consistent crimping and also works with InterLock® ring to ensure the core and jacket remain locked during expansion. InterLock® Ring - The raised InterLock® ring is embedded in the bullet's core, ensuring the core and jacket are locked in one piece during expansion to retain mass and energy.

Attributes

- Name: [INTERLOCK® 30 CALIBER \(0.308"\) 180GR BTSP 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749003575
- Mfr. No.: 3072
- Ballistic Coefficient (G1): 0.452
- Brand Style: InterLock
- Bullet Style: Boat Tail Spire Point (BTSP)
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 180
- Sectional Density: 0.271
- Quantity: 100
- Delivery weight: 1.225kg
- Shipping height: 56mm
- Shipping width: 69mm
- Shipping length: 107mm
- UPC: 090255230727

Safety Instruction Guide for INTERLOCK® 30 CAL (0.308') BOAT TAIL SPIRE POINT RIFLE BULLETS

Introduction

Thank you for choosing Hornady INTERLOCK® 30 CAL (0.308') Boat Tail Spire Point Rifle Bullets. This guide provides important safety instructions and guidelines for the safe use and handling of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to ensure safe usage and to understand your rights and responsibilities as a consumer.

General Safety Guidelines

- Ensure that you are familiar with the legal requirements for purchasing and using ammunition in your country or region.
- Always store ammunition in a safe, dry place, away from children and unauthorized users.
- Inspect ammunition before use to ensure it is in good condition and free from damage.
- Use only firearms that are designed and rated for the caliber of ammunition you are using.
- Follow all safety instructions provided by the firearm manufacturer and adhere to safe handling practices.

Specific Safety Precautions for Use

• Handling:

- Always treat all ammunition as if it is live and capable of firing.
- Do not handle ammunition with wet or oily hands.
- Avoid dropping or striking ammunition against hard surfaces.

• Storage:

- Store ammunition in its original packaging or a secure, designated container.
- Keep ammunition in a cool, dry place, away from direct sunlight and heat sources.
- Ensure that storage areas are locked and inaccessible to children and pets.

• Usage:

- Always wear appropriate eye and ear protection when shooting.
- Ensure the firearm is pointed in a safe direction at all times.
- Be aware of your target and what lies beyond it before firing.

• Transportation:

- Transport ammunition in a secure container to prevent movement and potential discharge.
- Follow all local laws and regulations regarding the transportation of ammunition.

Instructions for Installation and Usage

• Loading Firearm:

- Ensure the firearm is pointed in a safe direction and the safety is engaged.
- Open the action of the firearm and visually inspect to confirm it is unloaded.
- Load the ammunition into the magazine or chamber as per the firearm manufacturer's instructions.
- Close the action and disengage the safety only when ready to fire.

- **Firing:**

- Stand in a stable shooting position with feet shoulderwidth apart.
- Grip the firearm firmly and align your sights on the target.
- Squeeze the trigger smoothly and steadily to fire.

- **PostFiring:**

- After firing, keep the firearm pointed downrange until it is safe to do otherwise.
- Open the action and visually inspect the chamber to ensure it is clear of ammunition.
- Store the firearm and ammunition safely after use.

Disposal Instructions

- Dispose of any damaged or defective ammunition according to local regulations.
- Do not throw ammunition in the trash or dispose of it in regular waste.
- Contact local authorities or a licensed disposal facility for safe disposal options.

Contact Information for Further Support

For safety inquiries and additional information regarding this product, please refer to the manufacturer's website or customer support channels. Always ensure you are using the most up to date information and guidelines.

By following these safety instructions, you can help ensure a safe and enjoyable experience with Hornady INTERLOCK® 30 CAL (0.308") Boat Tail Spire Point Rifle Bullets. Thank you for your attention to safety and for choosing Hornady products.
