

# INTERLOCK® 30 CAL (0.308') BOAT TAIL SPIRE POINT RIFLE BULLETS - INTERLOCK® 30 CALIBER (0.308") 165GR BTSP 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Hornady's traditional line of bullets feature exposed lead tips for controlled expansion and hard-hitting terminal performance. Most have Hornady's pioneering secant ogive design — one of the most ballistically efficient profiles ever developed (see diagram to right). Most feature Hornady's exclusive InterLock® design — a raised ring inside the jacket that is embedded in the bullet's core that keeps the core and jacket locked together during expansion to retain mass and energy. FEATURES Inner Grooves - Strategically weaken the upper section of the jacket, ensuring consistent, controlled expansion, even at long range. Tapered Jacket - Jacket thickness is precisely controlled for expansion at all velocities. One-Piece Core - Does not separate like two-piece divided cores. The InterLock® retains more mass and energy for deep penetration and large, consistent wound channels that ensure quick, clean kills. Cannelure - Provides accurate and consistent crimping and also works with InterLock® ring to ensure the core and jacket remain locked during expansion. InterLock® Ring - The raised InterLock® ring is embedded in the bullet's core, ensuring the core and jacket are locked in one piece during expansion to retain mass and energy.

## Attributes

- Name: [INTERLOCK® 30 CALIBER \(0.308"\) 165GR BTSP 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749003633
- Mfr. No.: 3045
- Ballistic Coefficient (G1): 0.435
- Brand Style: InterLock
- Bullet Style: Boat Tail Spire Point (BTSP)
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 165
- Sectional Density: 0.248
- Quantity: 100
- Delivery weight: 1.134kg
- Shipping height: 56mm
- Shipping width: 69mm
- Shipping length: 107mm
- UPC: 090255230451

# INTERLOCK® 30 CAL (0.308") BOAT TAIL SPIRE POINT RIFLE BULLETS Safety Instruction Guide

## Introduction

Thank you for choosing Hornady's INTERLOCK® 30 CAL (0.308") Boat Tail Spire Point Rifle Bullets. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

## General Safety Guidelines

- Ensure safe handling of all ammunition products to prevent accidents.
- Always treat every firearm as if it is loaded.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Use only in firearms that are specifically designed for .308 caliber ammunition.
- Always wear appropriate eye and ear protection when shooting.
- Regularly inspect your firearm and ammunition for any signs of damage or wear.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Risk of accidental discharge if not handled properly.
  - Potential for injury from misfires or projectiles.
  - Risk of fire or explosion if exposed to extreme heat or flame.
- **Avoiding Hazards:**
  - Always keep the firearm pointed in a safe direction when loading or unloading.
  - Do not rely solely on the safety mechanism of your firearm.
  - Never attempt to modify the bullets or the firearm in any way.
  - If a bullet fails to fire, wait at least 30 seconds before attempting to remove it.
  - Do not use damaged or corroded ammunition.
- **Age Specific Warnings:**
  - This product is intended for use by individuals 18 years and older.
  - Ensure that minors are supervised by a responsible adult at all times when handling firearms or ammunition.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure the firearm is unloaded before installing bullets.
  - Follow the manufacturer's instructions for loading ammunition into your specific firearm.
- **Usage:**
  - Always check that the firearm is in good working order before use.
  - Load one bullet at a time into the chamber, ensuring it is seated properly.
  - Fire only in designated shooting areas and in accordance with local laws.
  - Be aware of your surroundings and ensure a clear line of fire.

## Disposal Instructions

- Dispose of used or damaged ammunition responsibly.
- Follow local regulations for hazardous waste disposal.
- Do not throw bullets in regular trash; contact your local waste management facility for guidance.
- If unsure about disposal methods, consult with a local firearms dealer or law enforcement agency.

## **Contact Information for Further Support**

For any safety inquiries or product concerns, please refer to your local Hornady retailer or visit the Hornady website for additional information and support.

By following these safety instructions, you can help ensure a safe and enjoyable shooting experience with Hornady's INTERLOCK® 30 CAL (0.308") Boat Tail Spire Point Rifle Bullets. Always prioritize safety and responsibility in all your shooting activities.
