FULL LENGTH SIZING DIES 338 WINCHESTER

MAGNUM Safety Instruction Guide

Introduction

Thank you for choosing the FULL LENGTH SIZING DIES 338 WINCHESTER MAGNUM. This product is designed to provide you with the ability to resize the full length of your cartridge, ensuring optimal performance and reliability. Please read this safety instruction guide carefully to ensure safe and proper use of this product.

General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Ensure that the dies are compatible with your specific reloading equipment.
- Keep the dies out of reach of children and vulnerable individuals.
- Regularly inspect the dies for any signs of damage or wear.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Ensure that the workspace is clean, dry, and welllit to avoid accidents.
- Do not exceed the recommended load specifications for your cartridges.
- Always check for proper headspace before resizing cartridges.
- Avoid using damaged or worn dies, as they may lead to unsafe reloading practices.
- Handle all components, including primers and powders, with care, following the manufacturer's safety recommendations.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Remove any existing dies from the press.
- Carefully thread the FULL LENGTH SIZING DIE into the press, ensuring it is tightened securely but not overtightened.
- Attach the decapping assembly and expander ball according to the manufacturer's instructions.

2. Usage:

- Start by preparing your cartridge cases by cleaning them thoroughly.
- Insert the cartridge case into the shell holder of the press.
- Raise the ram to engage the sizing die with the cartridge case.
- Apply steady pressure to resize the full length of the case.
- Lower the ram and remove the resized cartridge case.
- Inspect the resized case for proper dimensions and any signs of damage.

3. PostUse Care:

- Clean the dies after each use to prevent corrosion and buildup of residue.
- Store the dies in a dry place, preferably in a protective case to avoid damage.

Disposal Instructions

- Dispose of any damaged or worn dies in accordance with local regulations regarding metal waste.
- Do not throw away dies in regular household waste.
- Check with local recycling centers for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding product safety or usage, please consult the manufacturer's website or contact your local distributor. Ensure that you have the product details available for reference.

By following these safety guidelines, you can ensure a safe and effective reloading experience with your FULL LENGTH SIZING DIES 338 WINCHESTER MAGNUM. Thank you for prioritizing safety in your reloading practices.
