FULL LENGTH SIZING DIES 280 REMINGTON Safety Instruction Guide

Introduction

Thank you for purchasing the FULL LENGTH SIZING DIES 280 REMINGTON. This guide provides important safety instructions and usage guidelines to ensure safe and effective operation of your sizing dies. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the dies are used only for their intended purpose: resizing 280 Remington cartridges.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while handling reloading equipment.
- Keep the workspace clean and organized to prevent accidents.
- Store the dies in a secure location, out of reach of children and pets.
- Familiarize yourself with the product and its components before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the press is securely anchored before using the dies.
- Inspect the dies for any signs of damage or wear before each use. Do not use if damaged.
- Follow the manufacturer's instructions for setup and operation.
- Use a headspace gauge when setting up the fulllength sizing die to avoid oversizing or undersizing the cartridge.
- Do not exceed the recommended load specifications for the 280 Remington cartridge.
- Never attempt to modify the dies or use them for any purpose other than intended.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials including the FULL LENGTH SIZING DIES, a reloading press, and a headspace gauge.
- Ensure your workspace is clean and welllit.

2. Installation

- Securely mount the reloading press to a stable workbench.
- Install the FULL LENGTH SIZING DIE into the press according to the manufacturer's instructions.
- Attach the decapping assembly and expander ball as needed.

3. Usage

- Insert a cartridge case into the die.
- Operate the press to resize the case, ensuring smooth and controlled movement.
- After resizing, use the headspace gauge to check the dimensions of the cartridge.
- Repeat the process for each cartridge case as needed.

4. PostUsage

- Clean the dies after use to prevent corrosion and maintain functionality.
- Store the dies in a protective case to avoid damage.

Disposal Instructions

- Dispose of any damaged or unusable dies in accordance with local regulations.
- Recycle materials where possible, following applicable local recycling guidelines.
