FULL LENGTH SIZING DIES 7 MM BR (BENCHREST) REMINGTON Safety Instruction Guide

Introduction

Thank you for choosing the FULL LENGTH SIZING DIES 7 MM BR (BENCHREST) REMINGTON. This product is designed to help you size the full length of your cartridge, ensuring precision and consistency in your reloading process. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle reloading equipment with care and follow all safety precautions.
- Use personal protective equipment (PPE), including safety glasses and gloves, when operating this equipment.
- Keep the workspace clean and organized to prevent accidents.
- Store all reloading materials, including dies and cartridges, in a secure location away from children and unauthorized users.
- Regularly inspect your equipment for any signs of wear or damage before use.
- Follow the manufacturer's guidelines for use and maintenance.

Specific Safety Precautions for Use

- Ensure that the die is properly installed in the reloading press before use.
- Use only the recommended cartridges with this sizing die to avoid malfunctions or accidents.
- Do not exceed the maximum load specifications for your cartridges.
- Always use a headspace gauge when setting up the full length sizing die to ensure proper sizing.
- Avoid distractions while reloading to maintain focus and safety.
- If you experience any issues during use, stop immediately and inspect the equipment.

Instructions for Installation and Usage

1. Installation of the Die:

- Ensure the reloading press is securely mounted and stable.
- Remove any existing dies from the press.
- Insert the FULL LENGTH SIZING DIE into the press and tighten securely.
- Attach the decapping assembly and expander ball as per the manufacturer's instructions.

2. Setting Up the Die:

- Use a headspace gauge to set the die to the correct depth.
- Adjust the die until it makes contact with the shell holder at the bottom of the stroke.
- Lock the die in place once the desired adjustment is achieved.

3. Using the Die:

- Place a clean cartridge case into the shell holder.
- Pull the handle of the press to size the cartridge case fully.
- Inspect the sized case for any irregularities or damage.
- Repeat the process for each cartridge case as needed.

4. PostUsage Care:

- Clean the die after each use to remove any residue.
- Store the die in a dry, cool place when not in use.
- Regularly inspect the die for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not throw away reloading materials in regular trash. Follow specific disposal guidelines for hazardous materials if applicable.
- Ensure that all empty cartridges are disposed of properly and safely.

Contact Information for Further Support

For any queries or concerns regarding the FULL LENGTH SIZING DIES 7 MM BR (BENCHREST) REMINGTON, please reach out to the manufacturer or your local retailer for assistance. Always ensure that you have the latest safety information and updates regarding your product.

By following these guidelines, you can ensure a safe and effective reloading experience with your FULL LENGTH SIZING DIES. Thank you for prioritizing safety in your reloading practices.
