Safety Instruction Guide for FULL LENGTH SIZING DIES 300 WSM

Introduction

Thank you for choosing the FULL LENGTH SIZING DIES 300 WSM. This guide provides essential safety instructions and usage recommendations to ensure your safety and the effective operation of the product. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the dies.
- Keep the dies out of reach of children and pets to prevent accidents.
- Inspect the product before each use for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations concerning firearm and ammunition reloading.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use of the sizing dies can lead to personal injury or property damage.
 - There is a risk of injury from sharp edges or moving parts during installation and usage.
- **Avoiding Hazards:**
 - Always ensure the dies are securely installed before operation.
 - Do not attempt to modify the dies or use them for purposes other than intended.
 - Use a headspace gauge when setting up to ensure proper sizing and avoid unsafe ammunition.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure your reloading press is clean and free of debris.
 2. Carefully remove the sizing die from its packaging.
 3. Install the die into the reloading press according to the manufacturer's instructions.
 4. Tighten the die securely to prevent movement during operation.
- **Usage:**
 1. Prepare your cartridge cases by cleaning and inspecting them.
 2. Insert the cartridge case into the shell holder of the reloading press.
 3. Pull the press handle to size the case fully, ensuring the neck and body are sized correctly.
 4. After sizing, check the case dimensions with a headspace gauge.
 5. If necessary, repeat the process until proper sizing is achieved.
 6. After use, clean the dies to remove any residue.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the dies become damaged and are no longer usable, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the FULL LENGTH SIZING DIES 300 WSM, please refer to the manufacturer's contact details provided with the product packaging. Always ensure that you have read and understood the safety instructions before use.

Thank you for your attention to these safety guidelines. Enjoy safe and effective reloading with your FULL LENGTH SIZING DIES 300 WSM.
