

# LOCK-N-LOAD AP SHELLPLATE - #14 LOCK-N-LOAD AP PROGRESSIVE PRESS SHELLPLATE

[Reloading](#) > [Shellholders & Shellplates](#)

Shell plates for Lock-N-Load AP and Pro-Jector are available to fit most calibers. Each shell plate will also hold additional calibers with the same case head dimensions. Current shell plates are designed to fit Lock-N-Load AP (both EZ-Ject and wire ejector models) and Pro-Jector presses. These shell plates require the purchase of the 749-012-552 Hornady Auto press retrofit kit if your press still has the OLD STYLE SPRING TYPE CARTRIDGE CASE EJECTOR SYSTEM. If you have any questions please contact your Sinclair tech 800-717-8211. View Hornady Shellplate Chart.

# LOCKNLOAD AP SHELLPLATE #14 Safety Instruction Guide

## Introduction

Thank you for choosing the LOCKNLOAD AP SHELLPLATE #14. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the LOCKNLOAD AP SHELLPLATE is compatible with your reloading press model.
- Always follow the manufacturer's instructions for the reloading press and shell plate.
- Keep the shell plate and all reloading equipment out of reach of children and vulnerable individuals.
- Regularly inspect the shell plate for wear and damage before each use.
- Use the shell plate only with the specified calibers to avoid malfunction or damage.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when operating the reloading press.
- Ensure that the reloading area is welllit and free from clutter.
- Do not exceed the recommended load limits for any caliber.
- Use only Hornadyapproved components and accessories with the LOCKNLOAD AP SHELLPLATE.
- Avoid distractions while reloading to maintain focus and safety.
- If you notice any unusual sounds or malfunctions during operation, stop using the equipment immediately and inspect it.

## Instructions for Installation and Usage

### 1. Installation of the Shell Plate:

- Turn off and unplug the reloading press before installation.
- Remove any existing shell plate from the press.
- Align the LOCKNLOAD AP SHELLPLATE with the mounting holes on the press.
- Secure the shell plate in place using the provided hardware, ensuring it is firmly attached.

### 2. Usage Instructions:

- Ensure the press is set up correctly according to the manufacturer's guidelines.
- Insert the appropriate cartridge case into the shell plate.
- Follow the reloading press instructions for operating the press.
- Monitor the reloading process closely and make adjustments as necessary.

### 3. After Use:

- Clean the shell plate and surrounding area to remove any debris or residue.
- Store the shell plate in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of any damaged or worn shell plates in accordance with local regulations.
- Do not dispose of the shell plate in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the LOCKNLOAD AP SHELLPLATE #14, please refer to the manufacturer's customer service or technical support resources.

Thank you for your attention to these safety guidelines. Safe reloading practices ensure a positive experience and help maintain the integrity of your equipment.
