

# LOCK-N-LOAD AP SHELLPLATE - #2 LOCK-N-LOAD AP PROGRESSIVE PRESS SHELLPLATE

[Reloading](#) > [Shellholders & Shellplates](#)

Shell plates for Lock-N-Load AP and Pro-Jector are available to fit most calibers. Each shell plate will also hold additional calibers with the same case head dimensions. Current shell plates are designed to fit Lock-N-Load AP (both EZ-Ject and wire ejector models) and Pro-Jector presses. These shell plates require the purchase of the 749-012-552 Hornady Auto press retrofit kit if your press still has the OLD STYLE SPRING TYPE CARTRIDGE CASE EJECTOR SYSTEM. If you have any questions please contact your Sinclair tech 800-717-8211. View Hornady Shellplate Chart.

# LOCKNLOAD AP SHELLPLATE #2 Safety Instruction Guide

## Introduction

Thank you for choosing the LOCKNLOAD AP SHELLPLATE #2. This guide is designed to provide you with essential safety instructions and usage information for your shell plate, ensuring safe and effective operation. Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the LOCKNLOAD AP SHELLPLATE #2 by following all instructions provided. This product is compliant with EU safety regulations.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall occurs, follow the instructions provided for safe return or remedy.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when children are present. Keep this product out of reach of children.
- **EU Contact Point:** For safety inquiries, consult your local retailer or manufacturer's website for further information.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on any unsafe products.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to malfunction or injury.
  - Use of incompatible calibers can cause damage to the press or injury.
- **Avoiding Hazards:**
  - Always ensure the shell plate is properly secured before operation.
  - Do not exceed the recommended caliber limits.
  - Regularly inspect the shell plate for signs of wear or damage.
- **Age Warnings:** This product is intended for adult use. Keep it away from children and those who may not understand the risks involved.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure your press is turned off and unplugged before installation.
  2. Remove any existing shell plate from the press.
  3. Align the LOCKNLOAD AP SHELLPLATE #2 with the mounting points on your press.
  4. Secure the shell plate using the provided fasteners. Ensure it is tightly fastened to avoid movement during operation.
  5. If your press has the OLD STYLE SPRING TYPE CARTRIDGE CASE EJECTOR SYSTEM, purchase the 749012552 Hornady Auto press retrofit kit for compatibility.
- **Usage:**
  1. Select the appropriate caliber that matches the shell plate.
  2. Load the cases into the shell plate, ensuring they are properly seated.
  3. Follow the operating instructions for your specific press model (LockNLoad AP or Projector).
  4. After use, inspect the shell plate for any damage or wear before the next operation.

## **Disposal Instructions**

- Dispose of the LOCKNLOAD AP SHELLPLATE #2 in accordance with local regulations.
- Do not dispose of in household waste. Check for recycling programs or hazardous waste disposal sites in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the LOCKNLOAD AP SHELLPLATE #2, please consult your local retailer or visit the manufacturer's official website for support resources.

Thank you for adhering to these safety instructions. Your careful attention to these guidelines will help ensure a safe and effective reloading experience.
