

# LOCK-N-LOAD AP SHELLPLATE - #6 LOCK-N-LOAD AP PROGRESSIVE PRESS SHELLPLATE

[Reloading](#) > [Shellholders & Shellplates](#)

Shell plates for Lock-N-Load AP and Pro-Jector are available to fit most calibers. Each shell plate will also hold additional calibers with the same case head dimensions. Current shell plates are designed to fit Lock-N-Load AP (both EZ-Ject and wire ejector models) and Pro-Jector presses. These shell plates require the purchase of the 749-012-552 Hornady Auto press retrofit kit if your press still has the OLD STYLE SPRING TYPE CARTRIDGE CASE EJECTOR SYSTEM. If you have any questions please contact your Sinclair tech 800-717-8211. View Hornady Shellplate Chart.

# LOCKNLOAD AP SHELLPLATE #6 Safety Instruction Guide

## Introduction

Thank you for choosing the LOCKNLOAD AP SHELLPLATE #6. This guide provides essential safety information and instructions for the proper use of this product. It is crucial to read and understand these instructions to ensure safe operation and avoid potential hazards.

## General Safety Guidelines

- Always use the shellplate in accordance with the manufacturer's instructions.
- Ensure that the shellplate is compatible with your press model.
- Regularly inspect the shellplate for signs of wear or damage before use.
- Keep the shellplate and all reloading equipment out of reach of children.
- Use personal protective equipment, such as safety glasses and gloves, when handling reloading materials.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the press is securely mounted and stable before use.
- Only use the shellplate with cartridges that are specified for compatibility.
- Do not exceed the recommended load specifications for your cartridges.
- Avoid using the shellplate if it shows any signs of damage or excessive wear.
- Do not attempt to modify the shellplate or press in any way that could compromise safety.
- Use caution when operating the press, and keep hands and clothing clear of moving parts.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the press is unplugged and in a safe state before installation.
- Remove any existing shellplate from the press.
- Align the LOCKNLOAD AP SHELLPLATE #6 with the mounting points on the press.
- Securely fasten the shellplate according to the manufacturer's specifications.
- If applicable, install the 749012552 Hornady Auto press retrofit kit if your press has the OLD STYLE SPRING TYPE CARTRIDGE CASE EJECTOR SYSTEM.

### 2. Usage:

- Load the appropriate cartridge into the shellplate.
- Ensure the cartridge is seated correctly and securely in the shellplate.
- Operate the press according to the manufacturer's instructions.
- Regularly check the shellplate during operation for any signs of malfunction or wear.
- After use, clean the shellplate to maintain its performance and longevity.

## Disposal Instructions

- Dispose of any damaged or worn shellplates in accordance with local waste disposal regulations.
- Do not throw the shellplate in regular household waste.
- Check with local recycling centers for proper disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the LOCKNLOAD AP SHELLPLATE #6, please contact your Sinclair tech at 8007178211. For safety inquiries, refer to the EU's Safety Gate platform for updates on product recalls and safety information.

This guide is designed to ensure your safety and satisfaction while using the LOCKNLOAD AP SHELLPLATE #6. Always prioritize safety and compliance with the EU General Product Safety Regulation. Thank you for your attention to these important guidelines.
