

# LOCK-N-LOAD AP SHELLPLATE - #10 LOCK-N-LOAD AP PROGRESSIVE PRESS SHELLPLATE

[Reloading](#) > [Shellholders & Shellplates](#)

Shell plates for Lock-N-Load AP and Pro-Jector are available to fit most calibers. Each shell plate will also hold additional calibers with the same case head dimensions. Current shell plates are designed to fit Lock-N-Load AP (both EZ-Ject and wire ejector models) and Pro-Jector presses. These shell plates require the purchase of the 749-012-552 Hornady Auto press retrofit kit if your press still has the OLD STYLE SPRING TYPE CARTRIDGE CASE EJECTOR SYSTEM. If you have any questions please contact your Sinclair tech 800-717-8211. View Hornady Shellplate Chart.

# LOCKNLOAD AP SHELLPLATE #10 Safety Instruction Guide

## Introduction

Thank you for choosing the LOCKNLOAD AP SHELLPLATE #10. This shell plate is designed for use with the LockNLoad AP and Projector progressive presses. To ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the shell plate by following the provided instructions. This product is designed to meet safety standards applicable to nonfood products.
- **Enhanced Recalls:** Be aware that in the event of a safety issue, standardized recall notices will be issued, and remedies will be provided at no cost.
- **Online Shopping:** If purchased online, this product must meet the same safety requirements as those sold in physical stores.
- **Special Consumer Focus:** Extra care should be taken when this product is used around vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, please consult the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about any safety updates or recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the shell plate is compatible with your LockNLoad AP or Projector press model. Verify that you have the correct retrofit kit if your press has an oldstyle springtype cartridge case ejector system.
- **Installation:** Follow the installation instructions closely to avoid assembly errors that could lead to malfunctions or safety hazards.
- **Handling:** Always handle the shell plate with care. Avoid dropping or mishandling to prevent damage.
- **Inspection:** Regularly inspect the shell plate for signs of wear or damage. Do not use if any defects are found.
- **Storage:** Store the shell plate in a dry, safe place away from children and pets when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your press is unplugged and clean before installation.
- Gather all necessary tools and the 749012552 Hornady Auto press retrofit kit if required.

### 2. Installation:

- Remove any existing shell plate from your press.
- Install the new LOCKNLOAD AP SHELLPLATE #10 by following these steps:
  - Align the shell plate with the mounting points.
  - Secure the shell plate using the provided fasteners. Ensure it is firmly attached.
  - If applicable, install the retrofit kit according to the included instructions.

### 3. Usage:

- Load the appropriate cartridges into the shell plate, ensuring they match the specifications for 10

mm Auto, 40 S&W, or 357 SIG.

- Operate your press according to the manufacturer's guidelines. Do not exceed the recommended load limits.
- Monitor the operation during use to ensure everything functions smoothly.

## Disposal Instructions

- **Disposal:** Dispose of any damaged or worn shell plates in accordance with local regulations for electronic waste.
- **Recycling:** If possible, recycle materials where applicable. Check with local recycling facilities for guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the LOCKNLOAD AP SHELLPLATE #10, please reach out to your local Sinclair technical support at the designated contact number. They will assist you with any inquiries you may have regarding installation, usage, or safety concerns.

By following these safety instructions, you can ensure a safe and effective experience with your LOCKNLOAD AP SHELLPLATE #10. Thank you for your attention to these important safety guidelines.
