# PREMIUM GOLD MEDAL LARGE RIFLE MATCH PRIMERS Safety Instructions

## Introduction

Thank you for choosing PREMIUM GOLD MEDAL LARGE RIFLE MATCH PRIMERS. This guide provides essential safety instructions to ensure the safe use of this product. Please read all instructions carefully before use.

## General Safety Guidelines

- Ensure that all users of this product are familiar with safety regulations and guidelines for handling ammunition and primers.
- Store primers in a cool, dry place away from direct sunlight and heat sources.
- Keep out of reach of children and unauthorized persons.
- Always follow local laws and regulations regarding the use and storage of primers and ammunition.
- Be aware of the potential hazards associated with the use of ammunition components, including fire and explosion risks.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling primers.
- Avoid static electricity by grounding yourself before handling primers.
- Do not eat, drink, or smoke while handling primers to prevent ingestion or accidental ignition.
- Inspect primers before use to ensure they are not damaged or defective.
- Only use primers in firearms that are designed for their specific type and size.
- Follow the manufacturer's loading data and instructions when using primers in reloading ammunition.
- Never exceed recommended loads when reloading ammunition.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials: primers, ammunition components, reloading tools, and PPE.
- Ensure your workspace is clean and free of clutter.

### 2. Loading Primers:

- Carefully open the primer box and remove the desired number of primers.
- Use a primer tool to seat the primers into the cases, ensuring they are fully seated and secure.

### 3. Reloading:

- Follow the specific reloading data for your chosen powder and bullet type.
- Carefully measure and add powder to each case before seating the bullet.

### 4. Final Assembly:

- Once all components are loaded, inspect each cartridge for proper assembly.
- Store completed ammunition in a safe and secure location.

### 5. Use of Ammunition:

- Only use in firearms that are in good working condition and suitable for the ammunition type.

- Follow all firearm safety rules when shooting, including keeping the muzzle pointed in a safe direction and being aware of your surroundings.

## **Disposal Instructions**

- Dispose of any unused or expired primers according to local regulations.
- Do not throw away primers in regular trash.
- Contact local authorities or hazardous waste disposal facilities for guidance on safe disposal methods.
