

# 6.5MM LONG RANGE HYBRID TARGET BULLETS - BERGER BULLETS TARGET 6.5MM (0.264") 140GR LONG RANGE BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger 6.5mm Long Range Hybrid Target® Bullets incorporate an improved center of gravity and ballistic coefficient through Berger's new and innovative MRT® (Meplat Reduction Technology) System, which utilizes game-changing manufacturing processes unique to all other bullet maker's designs. Berger's MRT® System applies controlled pressure along the projectile nose, producing a homogeneous and repeatable bullet profile creating the industry's most consistent Ballistic Coefficients. Competitive shooters recognize the importance of a high BC, however, shot-to-shot BC consistency becomes hyper-critical when engaging targets to 1,000 yards and beyond. Berger's ballistic coefficients are Doppler-radar proven and industry-leading in consistency, unmatched by all others.

Berger 6.5mm 140 gr Match Target BT Long Range Bullets - 100

## Attributes

- Name: [BERGER BULLETS TARGET 6.5MM \(0.264"\) 140GR LONG RANGE BOAT TAIL 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749005246
- Mfr. No.: 26409
- Ballistic Coefficient (G1): 0.593
- Ballistic Coefficient (G7): 0.304
- Brand Style: Match Target
- Bullet Style: Long Range Boat Tail
- Caliber: 6.5mm,264 Caliber
- Diameter (Breech): 0.264
- Diameter (in): 0.264
- Grain: 140
- Quantity: 100
- Delivery weight: 0.953kg
- Shipping height: 41mm
- Shipping width: 84mm
- Shipping length: 86mm
- UPC: 679459264099

## Item details

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for Berger 6.5MM Long Range Hybrid Target Bullets

## Introduction

Thank you for choosing Berger 6.5MM Long Range Hybrid Target Bullets. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before using the bullets to understand the precautions and necessary actions to maintain safety.

## General Safety Guidelines

- Ensure that all users are familiar with firearm safety and handling practices.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Always use appropriate personal protective equipment (PPE) when handling bullets, including safety glasses and gloves.
- Regularly check for any product recalls or safety alerts related to this product.

## Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically designed for 6.5MM caliber ammunition.
- Verify that your firearm is in good working condition before use.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or corroded bullets, as they may pose a safety risk.
- Follow all local laws and regulations regarding the use and transportation of ammunition.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you are in a safe and controlled environment for loading and firing.
- Gather all necessary tools and equipment, including your firearm, ammunition, and any safety gear.

### 2. Loading the Bullets:

- Open the box of Berger 6.5MM Long Range Hybrid Target Bullets.
- Carefully remove a bullet and inspect it for any visible damage.
- Insert the bullet into the chamber of your firearm according to the manufacturer's instructions.

### 3. Firing the Bullets:

- Ensure that the firearm is pointed in a safe direction and that the area is clear of people and obstacles.
- Follow standard firing procedures, keeping your finger off the trigger until you are ready to shoot.
- After firing, always check the firearm for any malfunctions or issues.

### 4. Post Use:

- Store any unused bullets in their original packaging and secure them properly.
- Clean your firearm according to the manufacturer's instructions after use.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local authorities for guidance on proper disposal methods.
- Ensure that all bullets are stored safely until they can be disposed of correctly.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and handling of Berger 6.5MM Long Range Hybrid Target Bullets, please consult the product packaging or visit the manufacturer's official website for further information and support.

Thank you for prioritizing safety and responsible usage of your Berger bullets.
