LOCKNLOAD PRESS CONVERSION & BUSHINGS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the LockNLoad Press Conversion & Bushings. This product is designed to enhance your reloading experience by allowing quick and easy die changes. For your safety and to ensure optimal performance, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure safe use of the LockNLoad system by following all instructions provided.
- Be aware of potential hazards associated with reloading and the use of this product.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses and gloves, when using reloading equipment.
- Regularly check for product recalls and updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Before using the LockNLoad system, read all instructions and familiarize yourself with the parts and their functions.
- Do not attempt to modify or alter any components of the LockNLoad system.
- Ensure that the reloading press is securely mounted and stable before use.
- Always doublecheck that dies are properly seated and secured in the bushing before starting the reloading process.
- Avoid distractions while reloading to maintain focus and safety.
- Store all reloading components, including the LockNLoad system, in a dry and secure location.
- Do not use the LockNLoad system with incompatible dies or components.

Instructions for Installation and Usage

1. Installation

- Unpack the LockNLoad Press Conversion & Bushings and check for any damage.
- Follow the manufacturer's guidelines to mount the reloading press securely to a stable surface.
- Attach the LockNLoad bushings to the dies according to the provided instructions.

2. Usage

- To change a die, simply flick the LockNLoad mechanism to release the current die.
- Insert the new die into the bushing and flick the mechanism to secure it in place.
- Ensure that the die is properly aligned and tightened before proceeding with the reloading process.
- Always follow standard reloading practices and safety measures during operation.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer usable, check with local waste management authorities for proper disposal methods.
- Do not dispose of the product in regular household waste; follow guidelines for hazardous materials if applicable.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website.

By adhering to these safety instructions, you can ensure a safe and efficient reloading experience with the LockNLoad Press Conversion & Bushings. Thank you for your attention to safety and for choosing our product.
