[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger Target bullet line is made up of the many legendary bullets that have been winning matches and setting records for decades. Berger Bullets was started because Walt Berger wanted better results while competing in target shooting matches. Making Match Grade bullets for target competition shooters is Berger's core competency. All of Berger's success as the producer of consistent bullets for Varmint, Target and Hunting stems from the efforts Berger has made to produce the best bullets available for the extreme, precision focused, target competition shooter.

# Safety Instruction Guide for VLD .30 Caliber (0.308") Rifle Bullets

## Introduction

Thank you for purchasing the Berger VLD .30 Caliber (0.308") 210gr Boat Tail Rifle Bullets. This guide provides essential safety instructions to ensure the safe use of the product. Please read this document carefully to understand how to handle, use, and dispose of these bullets safely, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all users are familiar with firearms and ammunition handling before using this product.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Always follow local laws and regulations regarding the use of ammunition.
- Inspect bullets for any signs of damage or defects before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when firing.
- Ensure that your firearm is compatible with .30 caliber (0.308") ammunition.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or corroded bullets.
- Never point a firearm at anything you do not intend to shoot.
- Always keep the firearm pointed in a safe direction when loading or unloading.
- Use bullets only for their intended purpose, such as target shooting or hunting.

## Instructions for Installation and Usage

### 1. Preparation:

- Verify that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary equipment, including your firearm, ammunition, and safety gear.

### 2. Loading Bullets:

- Follow the manufacturer's instructions for loading bullets into your firearm.
- Ensure that the bullet is seated correctly in the chamber.

### 3. Firing:

- Ensure that the firing area is clear of people and obstacles.
- Take a stable shooting position and aim at your target.
- Squeeze the trigger gently to fire the bullet.

### 4. After Use:

- Always unload your firearm immediately after use.
- Store any remaining bullets in a secure location.

## Disposal Instructions

- Dispose of unused or expired bullets in accordance with local regulations.
- Do not throw bullets in regular trash; contact local waste management authorities for proper disposal methods.
- Ensure that all bullets are safely stored until disposal.

## Contact Information for Further Support

For any inquiries or concerns regarding the safety of this product, please refer to the contact details provided by the manufacturer or retailer from whom you purchased the bullets.

This safety instruction guide is designed to help you use the Berger VLD .30 Caliber (0.308") 210gr Boat Tail Rifle Bullets safely and responsibly. Always prioritize safety and compliance with all relevant regulations to ensure a safe shooting experience.
