

KRIEGER BENCHREST BARREL BLANKS - 6MM HEAVY VARMINT 1-14" TWIST 4 GROOVE 29" BLANK

[Gunsmith Tools & Supplies](#) > [Barrel Tools](#) > [Barrel Blanks](#)

Krieger stainless steel competition rifle barrels usually appear on the top finisher's equipment lists in benchrest, high power, long range, and Palma competitions. Many top gunsmiths are recommending Krieger barrels because of their consistent quality and performance. This consistent performance is due to a combination of the processes Krieger employs - from 416 stainless steel made to their own specifications, the single-point cut - rifling method used to rifle the barrels and the cryogenic treatment each barrel receives before it is machined. 6mm Heavy Varmint Benchrest; .237 inch bore diameter, 26.9 inch blank 1:14 twist 1.25 inch breach diameter tapering to a muzzle diameter of .900 inch. Weight: Approx 7.5 lbs at 26 inches.

KRIEGER BENCHREST BARREL BLANKS 6MM HEAVY VARMINT 114" TWIST 4 GROOVE 29" BLANK Safety Instructions

Introduction

Thank you for choosing the KRIEGER BENCHREST BARREL BLANKS. This guide provides important safety information and instructions to ensure the safe use and handling of the product. Please read this document carefully before using the barrel blanks.

General Safety Guidelines

- Always handle the barrel blanks with care to avoid injury.
- Ensure that you are familiar with the specific requirements and regulations related to firearms and barrel modifications in your region.
- Keep the barrel blanks out of reach of children and unauthorized individuals.
- Inspect the barrel blanks for any visible damage or defects before use. Do not use damaged products.
- Follow all local laws and regulations regarding the use and modification of firearms.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety glasses and gloves, when handling and machining the barrel blanks.
- **Machining Precautions:**
 - Ensure that all machinery used for machining the barrel blanks is in good working condition.
 - Follow the manufacturer's instructions for the specific machinery you are using.
 - Keep hands and other body parts away from moving parts during operation.
- **Ammunition:** Only use ammunition that is compatible with the barrel blanks. Consult with a qualified gunsmith if unsure.
- **Storage:** Store the barrel blanks in a dry, secure location to prevent rust and damage.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that you have the necessary tools and equipment for installation.
 - Follow the manufacturer's guidelines for fitting the barrel blanks to your firearm.
 - If you are not experienced in firearms assembly, seek assistance from a qualified gunsmith.
- **Usage:**
 - After installation, perform a thorough safety check of the firearm before use.
 - Test the firearm in a controlled environment to ensure proper function.
 - Always adhere to safe shooting practices, including ensuring a clear line of sight and a safe backstop.

Disposal Instructions

- Dispose of any unused or damaged barrel blanks in accordance with local regulations.
- Consult local waste management authorities for guidance on proper disposal methods for metal products.

Contact Information for Further Support

For any questions or concerns regarding the KRIEGER BENCHREST BARREL BLANKS, please refer to the manufacturer's website or contact the authorized dealer from whom you purchased the product.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your KRIEGER BENCHREST BARREL BLANKS. Always prioritize safety and compliance with local regulations when using firearms and related products. Thank you for your attention to these important guidelines.
