

GMX BULLETS - MONOFLEX .30 CAL. (0.308") 140GR FOR .30-30 WIN. LFPT 50/BX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

By combining the technologies of the GMX® and FTX® bullet design, the MonoFlex® bullet gives lever gun shooters another option. Constructed of a copper alloy, MonoFlex® bullets offer hunters a solid that won't separate, and when recovered, retains 95% of its original weight. Copper alloy differs from solid copper in that it is harder, tougher and does not foul or increase pressure the way solid copper bullets do. Upon impact, the patented Flex Tip® design initiates immediate expansion, even at the lower velocities often encountered in mid to long range lever gun shooting situations. Its deep penetration and high weight retention combine to produce yet another accurate, deadly and dependable choice for lever gun hunters."

Attributes

- Name: [MONOFLEX .30 CAL. \(0.308"\) 140GR FOR .30-30 WIN. LFPT 50/BX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749009729
- Mfr. No.: 30310
- Ballistic Coefficient (G1): 0.277
- Brand Style: GMX
- Bullet Style: Gilding Metal Expanding Flat Tip (GMXFT)
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 140
- Sectional Density: 0.211
- Quantity: 50
- Delivery weight: 0.454kg
- Shipping height: 56mm
- Shipping width: 53mm
- Shipping length: 89mm
- UPC: 090255303100

GMX BULLETS MONOFLEX .30 CAL. Safety Instruction Guide

Introduction

Thank you for choosing GMX Bullets Monoflex .30 Cal. (0.308") 140gr for .3030 Win. LFPT. This guide provides essential safety instructions to ensure the safe use of this product. By following these guidelines, you can minimize risks and enjoy a safer shooting experience.

General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Use only in firearms that are specifically designed for .3030 Win. cartridges.
- Always wear appropriate safety gear, including hearing and eye protection, when shooting.
- Ensure that the shooting area is safe and free of obstructions before firing.
- Be aware of your surroundings and ensure that no people or animals are in the line of fire.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper handling or use can lead to accidental discharge.
- Exposure to moisture can cause corrosion and failure of the ammunition.
- Using the wrong firearm can result in catastrophic failure.

- **Avoiding Hazards:**

- Always check the firearm's chamber before loading ammunition.
- Do not use ammunition that shows signs of damage or corrosion.
- Follow the firearm manufacturer's instructions for loading and unloading.
- Never point a firearm at anything you do not intend to shoot.

- **Age Restrictions:**

- This product is intended for use by individuals aged 18 years and older.
- Ensure that younger individuals are supervised by a responsible adult at all times.

Instructions for Installation and Usage

- **Loading Ammunition:**

- Open the action of your firearm and ensure it is unloaded.
- Insert the GMX Bullets Monoflex .30 Cal. cartridge into the magazine or chamber according to the firearm's manual.
- Close the action securely before firing.

- **Firing:**

- Position yourself in a stable shooting stance.
- Aim at the target, ensuring that the area is clear.
- Squeeze the trigger gently to fire the round.

- After firing, observe the target and surroundings before reloading.

- **Unloading:**

- Open the action of the firearm.
- Remove any remaining cartridges from the chamber and magazine.
- Store any unused ammunition properly.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash.
- Contact local authorities or hazardous waste disposal facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please contact the appropriate EU-based authority or a local firearms safety organization. Always ensure that you are following the latest safety guidelines and regulations.

By adhering to these safety instructions, you can enjoy the performance and reliability of GMX Bullets Monoflex .30 Cal. while ensuring a safe shooting environment. Thank you for your commitment to safety and responsible firearm use.
