

FTX 30 CALIBER (.308") 30-30 WINCHESTER PTBT RIFLE BULLETS - FTX 30 CALIBER (0.308") 30-30 WINCHESTER 160GR PTBT 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Hornady® FTX® bullets revolutionized lever gun ballistics, creating a new level of performance for these popular firearms. Lever gun enthusiasts can now harness the accuracy, power and long-range performance of a tipped bullet that's safe to load in tubular magazines. Hornady® offers the same Flex Tip® technology for handguns that revolutionized lever guns. Typical hollow point pistol bullets deliver good performance at modest velocities, but have a tendency to expand too quickly and sacrifice penetration at the higher velocities achieved with lever action guns. FEATURES PATENTED FLEX TIP® BULLET TECHNOLOGY: Upon impact, the soft tip compresses into the bullet, initiating immediate expansion across a wide range of velocities. Safe to shoot in tubular magazines as well as any other firearm. INTERLOCK® RING: The one-piece, high antimony lead core of the FTX® is mechanically locked to the jacket with an InterLock ring. This, along with a specially designed jacket, results in reliable performance and maximum weight retention for deep penetration on large or heavy-bodied game animals. BALLISTICALLY EFFICIENT SECANT OGIVE: Pioneered by Hornady,® the secant ogive profile delivers stability, flat trajectories and amazing accuracy. SPECIALLY ENGINEERED JACKET: The heavy jacket over the shank of the bullet combined with Hornady's proven InterLock® design controls expansion and enhances accuracy.

Attributes

- Name: [FTX 30 CALIBER \(0.308"\) 30-30 WINCHESTER 160GR PTBT 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749009731
- Mfr. No.: 30395
- Ballistic Coefficient (G1): 0.330
- Brand Style: FTX
- Bullet Style: Flex Tip Expanding (FTX)
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 160
- Sectional Density: 0.241
- Quantity: 100
- Delivery weight: 1.089kg
- Shipping height: 56mm
- Shipping width: 69mm
- Shipping length: 104mm
- UPC: 090255303957

Safety Instruction Guide for FTX 30 Caliber (.308") 3030 Winchester PTBT Rifle Bullets

Introduction

Thank you for choosing Hornady® FTX® bullets. These bullets are designed for use in lever action firearms, providing enhanced performance and accuracy. This safety instruction guide outlines essential safety guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of FTX® bullets by following all safety instructions. These bullets are designed for specific firearms and should only be used as intended.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the retailer meets all safety requirements.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals to prevent accidents.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information provided with the product.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals who are legally allowed to handle firearms and ammunition. Ensure users are of legal age and trained in safe firearm handling.
- **Proper Storage:** Store bullets in a cool, dry place, away from direct sunlight and moisture. Keep out of reach of children.
- **Use Appropriate Firearms:** Only use FTX® bullets in firearms specifically designed for .308 caliber ammunition. Refer to your firearm's manual for compatibility.
- **Personal Protective Equipment:** Always wear appropriate eye and ear protection when handling or shooting firearms.
- **Avoid Overloading:** Follow recommended load data for your firearm. Overloading can cause dangerous malfunctions.
- **Inspect Before Use:** Check bullets for damage or defects before use. Do not use damaged or deformed bullets.
- **Follow Local Laws:** Adhere to all local laws and regulations regarding the purchase, possession, and use of ammunition.

Instructions for Installation and Usage

- **Loading Bullets:**
 - Ensure the firearm is pointed in a safe direction and is unloaded before loading.
 - Follow the manufacturer's instructions for loading ammunition into the firearm.
 - Use the appropriate tools and techniques to load bullets safely.
- **Shooting:**
 - Always ensure the shooting range is safe and free of obstructions.
 - Maintain a safe distance from others while shooting.
 - Be aware of your surroundings and ensure that no one is in the line of fire.
- **Cleaning and Maintenance:**
 - After use, clean your firearm according to the manufacturer's instructions to ensure optimal performance and safety.
 - Regularly inspect your firearm for any signs of wear or damage.

Disposal Instructions

- Dispose of unused or expired ammunition in accordance with local regulations.
- Do not throw bullets in the regular trash. Instead, contact local authorities or a hazardous waste disposal facility for guidance on safe disposal methods.
- Keep ammunition out of landfills to prevent environmental contamination.

Contact Information for Further Support

For any questions or concerns regarding the FTX® bullets, please refer to the contact information provided with the product packaging. It is important to reach out to the manufacturer for any safety inquiries or product support.

By following these safety instructions, you can ensure a safe and enjoyable experience with Hornady® FTX® bullets. Always prioritize safety and adhere to all guidelines to protect yourself and others.
