

# LOCK-N-LOAD CASE FEEDER & ACCESSORIES - SMALL PISTOL CASE FEEDER PLATE

[Reloading](#) > [Reloading Presses](#) > [Progressive Presses](#)

With Hornadys high volume Lock-N-Load® Case Feeder, the Lock-N-Load® AP™ just got faster. It has the highest torque motor in the industry and an extra large case bowl that makes it possible to load over 500 rounds of high quality ammunition per hour, depending on experience and proficiency. The Lock-N-Load® Case Feeder comes complete with everything you need except the case feeder plates, which are sold separately. Adapts to your Lock-N-Load AP Press Change overs are easy, usually take about 5 minutes

## Safety Instruction Guide

### Introduction

Thank you for purchasing the LOCKNLOAD CASE FEEDER & ACCESSORIES SMALL PISTOL CASE FEEDER PLATE from Hornady. This product is designed to enhance your reloading experience by increasing efficiency and speed. To ensure your safety and the longevity of your equipment, please read and adhere to the following safety instructions and guidelines.

### General Safety Guidelines

- **Product Safety:** Always ensure that the LOCKNLOAD CASE FEEDER is used in accordance with the provided guidelines to prevent accidents or injuries.
- **Enhanced Recalls:** Be aware that in the event of a safety recall, you will be notified through standardized recall notices. Please follow the instructions provided for any necessary remedies.
- **Online Shopping:** If purchased online, ensure that the seller meets all safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided with the product packaging or on the manufacturer's website.
- **Rapid Alerts:** Stay informed about potential safety issues by checking the EU's Safety Gate platform for updates on unsafe products.

### Specific Safety Precautions for Use

- **Read the Manual:** Before using the product, read this manual thoroughly to understand its operation and safety features.
- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety glasses and gloves, when operating the case feeder.
- **Electrical Safety:** Ensure the power supply meets the specifications outlined in the manual. Avoid using the product in wet or damp conditions.
- **Avoid Overloading:** Do not exceed the recommended capacity of 500 rounds per hour. Overloading may damage the feeder and cause safety hazards.
- **Supervision Required:** Always supervise the operation of the case feeder when in use, especially if children or inexperienced users are present.
- **Inspect Regularly:** Regularly inspect the case feeder for any signs of wear or damage. Do not use if any components are broken or malfunctioning.
- **Proper Handling:** Handle the case feeder with care to avoid dropping or mishandling, which could lead to injury or damage.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure that the LockNLoad AP Press is turned off and unplugged before installation.
- Attach the case feeder to the press according to the manufacturer's instructions.
- Securely fasten all connections to avoid any movement during operation.
- If using case feeder plates, ensure they are compatible and correctly positioned.

#### 2. Usage:

- Plug the case feeder into a properly grounded electrical outlet.
- Turn on the power switch and allow the feeder to initialize.
- Load the case bowl with cases, ensuring they are positioned correctly for feeding.
- Adjust the feeder settings as needed for optimal performance.
- Monitor the feeding process and ensure that cases are being fed correctly.
- If any jams or issues occur, turn off the feeder immediately and resolve the issue before resuming operation.

## **Disposal Instructions**

- **Environmental Responsibility:** Dispose of the product and its components in accordance with local regulations.
- **Electronic Waste:** If the case feeder is no longer functional, ensure it is disposed of at a designated electronic waste facility.
- **Packaging:** Recycle packaging materials where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the LOCKNLOAD CASE FEEDER, please refer to the manufacturer's website or the product packaging for contact information. Always keep this safety instruction guide for future reference.

By following these guidelines and instructions, you can ensure a safe and efficient reloading experience with your LOCKNLOAD CASE FEEDER. Thank you for choosing Hornady.
