# LOCK N LOAD CONVERSION KIT Safety Instructions

## Introduction

Thank you for choosing the Hornady LockNLoad Conversion Kit. This product is designed to enhance your reloading experience by allowing your press to accept Hornady LockNLoad Die Bushings. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions and safety guidelines.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use the LockNLoad Conversion Kit only with presses that have 1 ¼"12 threads.
- Ensure that the conversion bushing is securely attached before use.
- Avoid using excessive force when installing or removing die bushings.
- Wear appropriate safety gear, such as safety glasses, when operating your reloading press.
- Do not modify the product in any way, as this may compromise safety.
- Always work in a wellventilated area to avoid inhaling any dust or debris.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is turned off and unplugged if applicable.
- Remove any existing bushings from the press.
- Take the supplied conversion bushing and thread it onto the press using a clockwise motion.
- Tighten the bushing securely, but do not overtighten.
- Insert the desired die bushing into the conversion bushing and ensure it is locked in place.

### 2. Usage:

- After installation, check that all components are secure before starting.
- Follow standard reloading procedures as outlined in your press's user manual.
- Monitor the operation of the press for any unusual sounds or movements.
- If any issues arise, stop using the press immediately and inspect for problems.

## Disposal Instructions

- Dispose of packaging materials responsibly by recycling whenever possible.
- If the product is damaged beyond repair, follow local regulations for disposing of metal and plastic components.
- Do not dispose of the product in household waste; consult local waste management guidelines for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the LockNLoad Conversion Kit, please refer to the manufacturer's contact points provided in the product packaging or user manual. Always ensure that you have the latest information regarding product safety and usage.

By following these safety instructions, you can ensure a safe and effective reloading experience with the Hornady LockNLoad Conversion Kit. Thank you for prioritizing safety in your reloading practices.
