CUSTOM GRADE HANDGUN 3DIE SETS 38 SPECIAL/357 MAGNUM NITRIDE 3DIE SET Safety Instruction Guide

Introduction

Thank you for purchasing the CUSTOM GRADE HANDGUN 3DIE SETS 38 SPECIAL/357 MAGNUM NITRIDE 3DIE SET by Hornady. This guide provides essential safety instructions to ensure the safe use of your reloading equipment. Please read this document carefully before using the product.

General Safety Guidelines

- Always handle all reloading equipment with care and respect.
- Ensure you are familiar with the specific features and functions of the Hornady 3Die Pistol Reloading Set.
- Keep the reloading area clean and organized to prevent accidents.
- Store all reloading components, including dies and ammunition, in a secure location away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm and ammunition handling.

Specific Safety Precautions for Use

- **Hazard Identification:** Improper use of reloading dies can lead to dangerous situations, including misfires or accidental discharge.
- **Avoid Stuck Cases:** The fulllength die features a titanium nitride coated sizing ring designed to minimize stuck cases. Always ensure proper lubrication of cases before resizing.
- **Crimping Safety:** When using the crimping option on the seating die, ensure that you do not overcrimp, which can lead to bullet deformation or unsafe ammunition.
- **Bullet Seating:** Use the floating bullet seater alignment sleeve carefully to ensure proper bullet seating depth, preventing unsafe ammunition.
- **Protective Gear:** Always wear safety glasses and gloves while reloading to protect against potential hazards.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Install the fulllength sizing die into the press according to the manufacturer's instructions.
- Adjust the die to the appropriate height for resizing cases.
- Install the adjustable case mouth expander die and set it to the desired expansion level.
- Finally, install the bullet seating die, ensuring it is properly aligned.

2. Usage:

- Begin by resizing your brass cases using the fulllength sizing die. Ensure cases are clean and lubricated.
- Expand the case mouth using the adjustable case mouth expander die.
- Insert a bullet into the expanded case mouth and place it in the bullet seating die.
- Adjust the seating depth as necessary and apply the crimp using the crimping option if desired.
- Inspect each round for proper seating and crimping before use.

Disposal Instructions

- Dispose of any unused or damaged reloading components in accordance with local regulations.
- Never dispose of live ammunition in regular trash. Contact local authorities for safe disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the CUSTOM GRADE HANDGUN 3DIE SETS 38 SPECIAL/357 MAGNUM NITRIDE 3DIE SET, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for prioritizing safety while using your reloading equipment.
