# CUSTOM GRADE HANDGUN 3DIE SETS 45 COLT NITRIDE Safety Instruction Guide

## Introduction

Thank you for choosing the CUSTOM GRADE HANDGUN 3DIE SETS 45 COLT NITRIDE by Hornady. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the product to familiarize yourself with its features and safety precautions.

## General Safety Guidelines

- Always handle all reloading equipment with care and respect.
- Keep the reloading area clean and organized to prevent accidents.
- Store all reloading components, including dies, in a secure location out of reach of children and unauthorized users.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when reloading ammunition.
- Ensure proper ventilation in the reloading area to avoid inhaling any potentially harmful substances.
- Regularly inspect your reloading equipment for wear and damage. Replace any damaged components immediately.
- Follow all local, state, and national laws regarding ammunition reloading and storage.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Risk of injury from improper handling of reloading equipment.
- Risk of explosion or fire from improper storage of reloading components.
- Risk of eye injury from debris or ejected cases during the reloading process.

### • Avoiding Hazards:

- Do not exceed the recommended load limits for any cartridge.
- Always use the correct die for the specific cartridge being reloaded.
- Never leave the reloading process unattended.
- Do not use damaged or worn dies; replace them as necessary.
- Ensure that the reloading press is securely mounted before use.

### • Age Specific Warnings:

- This product is intended for use by individuals aged 18 years and older. Keep out of reach of children.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that the reloading press is clean and free of debris.
2. Select the appropriate die for your cartridge (full length sizing die, case mouth expander, or bullet seating die).
3. Install the die into the reloading press according to the manufacturer's instructions.
4. Securely tighten the die in place to prevent movement during operation.

- **Usage:**

1. Prepare your workspace by organizing all necessary tools and materials.
2. Begin with the full length sizing die to resize the brass cases.
3. Use the adjustable case mouth expander to prepare the case mouth for bullet seating.
4. Finally, use the bullet seating die to seat the bullets to the desired depth.
5. Regularly check for proper alignment and operation during the reloading process.
6. After reloading, store completed ammunition in a safe and secure location.

## Disposal Instructions

- Dispose of any unused or excess reloading components in accordance with local regulations.
- Do not dispose of reloading materials in general waste. Check with local waste management authorities for proper disposal methods.
- Ensure that all reloading equipment is cleaned and maintained before storage to prolong its lifespan.

## Contact Information for Further Support

For further support and inquiries regarding safety or product usage, please refer to the manufacturer's contact details provided with your product packaging or on the official website.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your CUSTOM GRADE HANDGUN 3DIE SETS 45 COLT NITRIDE. Always prioritize safety and compliance with local regulations while reloading ammunition. Thank you for your attention to these important safety measures.
