# Safety Instruction Guide for RCBS 3DIE CARBIDE TAPER CRIMP SET

## Introduction

Thank you for choosing the RCBS 3DIE CARBIDE TAPER CRIMP SET for your reloading needs. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully before using the die set.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to reload cartridges for firearms.
- Keep the die set out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including safety glasses, when using reloading equipment.
- Regularly inspect the die set for any signs of damage or wear. Do not use damaged components.
- Store the die set in a dry, cool place to prevent corrosion and damage.
- Follow all local laws and regulations regarding reloading and firearm usage.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper handling of the die set can lead to personal injury or damage to the firearm.
- Using incorrect or damaged components may result in malfunctioning ammunition.

- **Avoiding Hazards:**

- Always ensure that the workspace is clean and free of distractions when reloading.
- Do not attempt to reload ammunition unless you fully understand the reloading process and safety protocols.
- Use only compatible cartridges with the die set: 357 Magnum and 38 Special.
- Never exceed the maximum recommended load data provided by reliable sources.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Install the carbide sizer die into the press according to the manufacturer's instructions.
- Follow with the expander die and then the seater die, ensuring each is tightened securely.

### 2. Usage:

- Begin by resizing the brass cases using the sizer die. This eliminates the need for lubrication.
- After resizing, use the expander die to expand and bell the case mouths as necessary.
- Finally, use the seater die to seat the bullet and apply the taper crimp as per your reloading specifications.
- Check the dimensions of the finished cartridges for safety and proper fit in your firearm.

## Disposal Instructions

- Dispose of any unused or damaged components according to local regulations.

- Do not dispose of reloading materials in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding product safety or support, please refer to the contact information provided by the manufacturer or retailer where the product was purchased. Ensure to keep the purchase receipt for warranty purposes.

By following these guidelines, you can ensure a safe and effective reloading experience with the RCBS 3DIE CARBIDE TAPER CRIMP SET. Thank you for prioritizing safety in your reloading practices.
