# Safety Instruction Guide for RCBS 3DIE CARBIDE TAPER CRIMP SET

## Introduction

Thank you for choosing the RCBS 3DIE CARBIDE TAPER CRIMP SET. This product is designed to enhance your reloading experience while ensuring safety and efficiency. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure you are familiar with the reloading process before using this product.
- Use the product only for its intended purpose as outlined in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay updated on recall notices via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety glasses and gloves when handling components.
- **Workspace Safety:** Use the product in a wellventilated area, free from flammable materials.
- **Avoid Overloading:** Do not exceed the recommended load limits specified in the product manual.
- **Proper Cleaning:** Ensure all components are clean and free from debris before use.
- **Storage:** Store the product in a cool, dry place when not in use. Ensure it is secured away from children.

## Instructions for Installation and Usage

### 1. Unpacking the Set:

- Carefully remove the 3die set from its packaging.
- Check for all included components: sizer die, expander die, and seater die.

### 2. Installation:

- Secure the sizer die into your reloading press following the manufacturer's instructions.
- Install the expander die in the same manner.
- Finally, install the seater die, ensuring it is properly aligned.

### 3. Setting Up:

- Adjust the height of each die according to the specifications provided in the product manual.
- Ensure that the dies are tight and secure before starting the reloading process.

### 4. Using the Dies:

- Start with the sizer die to resize the cases.
- Use the expander die to expand and bell the case mouths as needed.
- Finally, use the seater die to seat the bullets and apply the taper crimp.

### 5. PostUse Care:

- After use, clean the dies with a suitable cleaning solution to remove any residue.
- Store the dies in their original packaging to protect them from damage.

## **Disposal Instructions**

- Dispose of any unused components and packaging responsibly.
- Follow local regulations regarding the disposal of reloading materials and equipment.
- Consider recycling materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the RCBS 3DIE CARBIDE TAPER CRIMP SET, please contact your local dealer or refer to the manufacturer's website for more information.

By following these guidelines, you can ensure a safe and effective reloading experience with the RCBS 3DIE CARBIDE TAPER CRIMP SET. Thank you for your attention to safety.
