3DIE CARBIDE TAPER CRIMP SETS RCBS 3DIE CARBIDE TAPER CRIMP SET, 45 ACP Safety Instructions

Introduction

Thank you for choosing the RCBS Carbide Pistol 3Die Set. This product is designed for reloading 45 Auto (ACP) cartridges. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Keep your work area clean and organized to avoid accidents.
- Ensure all components used in the reloading process are in good condition and suitable for use.
- Store reloading components, including this die set, in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding ammunition reloading.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the die set is compatible with your reloading press before use.
- Do not exceed the recommended load data for the 45 Auto (ACP) cartridges.
- Avoid using damaged or worn dies, as they may cause malfunction or injury.
- Be cautious of the risks associated with handling powders and primers. Follow safety data sheets (SDS) provided by manufacturers.
- Use only the recommended lubricants and cleaning agents for your equipment.

Instructions for Installation and Usage

1. Installation of Dies:

- Remove the reloading press from its packaging and ensure it is securely mounted.
- Select the appropriate die from the set: sizer die, expander die, or seater die.
- Install the sizer die into the press first. Secure it tightly.
- Follow the same process for the expander die and seater die, ensuring each is properly aligned and secured.

2. Reloading Process:

- Start by resizing the cartridge cases using the sizer die. This eliminates the need for lubrication.
- Next, use the expander die to expand and bell the case mouths for bullet seating.
- Finally, use the seater die to seat the bullets to the desired depth, ensuring a proper profile or taper crimp.

3. PostUsage:

- Clean the dies after use to prevent corrosion and ensure longevity.
- Store the dies in a dry, cool place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any damaged or unusable dies according to local regulations.
- Recycle packaging materials where possible.
- Ensure that all hazardous materials, such as spent primers and powders, are disposed of in accordance with local environmental regulations.

Contact Information for Further Support

For any questions regarding the safety or use of this product, please refer to the manufacturer's website or contact your local distributor for assistance. Ensure that you have the product details on hand for a more efficient response.

By following these safety instructions, you can enjoy a safe and effective reloading experience with your RCBS Carbide Pistol 3Die Set. Thank you for your attention to safety.
