Safety Instruction Guide for RCBS Green Die Box

Introduction

Thank you for choosing the RCBS Green Die Box. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read this guide carefully before using the product to understand the necessary precautions and procedures.

General Safety Guidelines

- Always ensure that the die box is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the die box for any signs of wear or damage before each use.
- Avoid using the die box if it appears to be damaged or malfunctioning.
- Report any unsafe conditions or accidents involving the die box to the appropriate authorities.

Specific Safety Precautions for Use

- Use the die box only for its intended purpose, which is to store and organize reloading dies.
- Ensure that the die box is placed on a stable, flat surface during use to prevent tipping or accidental falls.
- Do not overload the die box beyond its intended capacity, as this may cause damage or compromise safety.
- Handle the die box with care to avoid pinching fingers or causing injury during operation.
- If using tools in conjunction with the die box, follow the safety guidelines for those tools as well.

Instructions for Installation and Usage

1. Unpacking the Die Box

- Carefully remove the die box from the packaging.
- Inspect the contents to ensure that all parts are included and undamaged.

2. Organizing Reloading Dies

- Open the die box by lifting the lid gently.
- Place the reloading dies inside the designated compartments of the die box.
- Ensure that each die is securely positioned to prevent movement during storage.

3. Closing the Die Box

- After organizing the dies, close the lid securely to protect the contents.
- Ensure that the lid is fully closed to prevent accidental opening.

4. Storing the Die Box

- Store the die box in a cool, dry place away from direct sunlight and extreme temperatures.
- Avoid placing heavy objects on top of the die box to prevent deformation.

Disposal Instructions

- Dispose of the die box in accordance with local regulations regarding plastic products.
- If the die box is damaged beyond use, consider recycling the materials if possible.
- Do not dispose of the die box in regular household waste if local regulations prohibit it.

Contact Information for Further Support

For any inquiries regarding safety or usage of the RCBS Green Die Box, please refer to the manufacturer's contact information provided on the packaging or the official website.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using the RCBS Green Die Box.
