Safety Instruction Guide for RCBS Shellholder #26

Introduction

Thank you for choosing the RCBS Shellholder #26. This product is designed to help you securely hold cartridges while reloading. To ensure your safety and the safe use of this product, please read and follow the guidelines and instructions outlined in this document.

General Safety Guidelines

- Always keep the Shellholder out of reach of children and pets.
- Before using the Shellholder, inspect it for any damage or defects.
- Use the Shellholder only for its intended purpose, which is to hold 7 x 65 mm R cartridges.
- Ensure that your workspace is clean and organized to prevent accidents.
- Store the Shellholder in a dry and safe place when not in use.
- Always wear appropriate safety gear, such as safety glasses, when reloading.

Specific Safety Precautions for Use

- Do not attempt to modify the Shellholder in any way, as this could lead to malfunction or injury.
- Ensure that the Shellholder is securely attached to your reloading press before use.
- Avoid using excessive force when inserting or removing cartridges from the Shellholder.
- Always follow the manufacturer's instructions for your reloading press to ensure compatibility with the Shellholder.
- Be aware of the potential hazards associated with reloading ammunition and follow all safety guidelines related to that process.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged.
- Locate the appropriate mounting area on your reloading press.
- Align the Shellholder with the mounting area and securely attach it according to the manufacturer's instructions.
- Doublecheck that the Shellholder is firmly in place before proceeding.

2. Usage:

- Load the 7 x 65 mm R cartridge into the Shellholder.
- Ensure the cartridge is seated correctly and securely in the Shellholder.
- Follow your reloading press's instructions for operating the press while using the Shellholder.
- After use, carefully remove the cartridge from the Shellholder and store it safely.

Disposal Instructions

- Dispose of the Shellholder according to local regulations.
- If the Shellholder is damaged or no longer usable, consider recycling it if possible.
- Do not dispose of the Shellholder in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the RCBS Shellholder #26, please contact your local RCBS representative or visit the official RCBS website for assistance.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your RCBS Shellholder #26. Always prioritize safety when handling ammunition and reloading equipment. Thank you for your attention to these important guidelines.
