Safety Instruction Guide for RCBS Shellholder #44

Introduction

Thank you for choosing the RCBS Shellholder #44. This guide provides essential safety information to ensure the safe and effective use of your shellholder. Please read this guide carefully before using the product to understand the safety guidelines and instructions.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the shellholder before each use for any signs of wear or damage.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses when handling reloading equipment.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Ensure that the shellholder is compatible with your reloading press.
- Do not exceed the recommended load limits for your reloading equipment.
- Always follow the reloading data provided by reliable sources.
- Avoid using the shellholder with damaged or defective cases.
- Maintain a clean and organized workspace to prevent accidents.
- Do not attempt to modify or alter the shellholder in any way.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is turned off and unplugged.
- Select the appropriate shellholder for your specific cartridge.
- Insert the shellholder into the ram of the reloading press until it is securely in place.
- Check that the shellholder is properly seated and does not wobble.

2. Usage:

- Load the cartridge case into the shellholder.
- Ensure that the shellholder is correctly aligned with the case.
- Operate the reloading press according to the manufacturer's instructions.
- After reloading, remove the cartridge from the shellholder carefully.
- Clean the shellholder regularly to maintain its functionality.

Disposal Instructions

- Dispose of the shellholder according to local regulations for metal recycling.
- Do not throw the shellholder in regular household waste.
- Ensure that any damaged shellholder is disposed of safely to prevent injury.

Contact Information for Further Support

For any inquiries regarding product safety or further assistance, please refer to the manufacturer's contact details as provided in the product packaging.
