Safety Instruction Guide for RCBS Shellholder #8

Introduction

Thank you for choosing the RCBS Shellholder #8. This product is designed for use with the 45 Auto Rim (AR) cartridge and is part of the Shellholders & Shellplates category. To ensure your safety and the proper functioning of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the Shellholder is compatible with your reloading setup.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Shellholder for any signs of wear or damage before use.
- Report any unsafe conditions or product failures to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended load limits when using the Shellholder.
- Always wear appropriate safety gear, including safety glasses and gloves, while reloading.
- Ensure that your workspace is clean and free from obstructions.
- Never leave the reloading area unattended while equipment is in use.
- Avoid using the Shellholder with damaged or defective cartridges.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is turned off and unplugged before installation.
- Locate the Shellholder slot on your reloading press.
- Insert the Shellholder #8 into the slot, ensuring it is seated securely.
- Verify that the Shellholder is properly aligned with the press mechanism.

2. Usage

- Load the cartridge into the Shellholder, ensuring it is seated correctly.
- Follow your reloading manual for specific instructions on powder and bullet selection.
- Operate the reloading press according to the manufacturer's guidelines.
- After use, remove the Shellholder from the press and store it in a safe location.

Disposal Instructions

- Dispose of the Shellholder in accordance with local regulations.
- If the Shellholder is damaged beyond use, recycle it if possible.
- Do not dispose of in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with your product packaging.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your RCBS Shellholder #8. Thank you for your attention to safety.
