AP POWDER THRU EXPANDERS (PTX) 10MM

Safety Instruction Guide

Introduction

Thank you for purchasing the AP Powder Thru Expanders (PTX) 10MM. This product is designed to enhance your experience with the Hornady LockNLoad Auto Progressive Press (AP). To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always follow the manufacturer's instructions and safety guidelines when using this product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the expanders only with compatible cartridges as specified by the manufacturer.
- Do not exceed the recommended pressure limits when using the product.
- Wear appropriate safety gear, such as safety glasses and gloves, when handling and using the expanders.
- Ensure that your workspace is clean and free of obstructions before starting your work.
- Avoid distractions while using the product to maintain focus and prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure the LockNLoad Auto Progressive Press is turned off and unplugged.
- Remove any existing expanders from the press.
- Select the appropriate 10MM expander and carefully insert it into the designated location on the press.
- Secure the expander in place according to the manufacturer's specifications.
- Doublecheck that the expander is properly installed before proceeding.

2. Usage:

- Prepare your workspace by ensuring all necessary tools and materials are within reach.
- Load the appropriate cartridges into the press as per the manufacturer's guidelines.
- Operate the press according to the instructions provided with the LockNLoad Auto Progressive Press.
- Monitor the operation closely to ensure that the expander is functioning correctly.
- If you notice any irregularities during use, stop immediately and inspect the equipment.

Disposal Instructions

- Dispose of any damaged or worn expanders in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling or hazardous waste disposal programs.
- Ensure that all components are disposed of safely to prevent harm to the environment.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support for your AP Powder Thru Expanders (PTX) 10MM, please refer to the manufacturer's contact information provided with your product packaging.

Remember to check for recall updates and safety alerts on the EU's Safety Gate platform to stay informed about any product safety issues. Your safety is our priority, and we appreciate your commitment to using our products responsibly.
