

BULLET FEEDER PISTOL DIES - 44 SPECIAL/MAGNUM BULLET FEEDER DIE

[Reloading](#) > [Reloading Presses](#) > [Progressive Presses](#)

Use these Lock-N-Load Bullet Feeder Pistol Dies with the Lock-N-Load Bullet Feeder to speed your reloading process so you can spend more time at the range or in the field. Tube and collet design holds the bullet securely in the die until a fresh case contacts the collet for a smooth work flow. Solid steel construction ensures years of reloading. No special tools required, and each die is threaded in the 7/8"-14 industry standard. Lock-N-Load Bullet Feeder and Bullet Tubes available separately.

Safety Instruction Guide for BULLET FEEDER PISTOL DIES 44 SPECIAL/MAGNUM

Introduction

Thank you for choosing the BULLET FEEDER PISTOL DIES 44 SPECIAL/MAGNUM. This product is designed to enhance your reloading experience with safety and efficiency in mind. Please read this safety instruction guide thoroughly to ensure safe and proper use.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure you are familiar with the operation of your reloading equipment.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage before use.
- Use protective eyewear and hearing protection while reloading.
- Store the product in a dry, cool place to prevent corrosion and damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the BULLET FEEDER PISTOL DIES if they show signs of damage or wear.
- Ensure that the reloading press is securely mounted and stable before use.
- Only use bullets that are compatible with the BULLET FEEDER DIES.
- Avoid overloading the die with bullets to prevent jams and malfunctions.
- Do not place your hands near the die or press during operation.
- Always doublecheck that the die is properly threaded and securely attached before use.
- Use only recommended lubricants on the dies and components.

Instructions for Installation and Usage

1. Installation:

- Remove the BULLET FEEDER DIES from the packaging.
- Inspect the dies for any visible damage.
- Thread the die into the reloading press using the 7/8"14 industry standard.
- Ensure the die is securely tightened to prevent any movement during operation.

2. Usage:

- Load the bullet feeder tube with the appropriate bullets.
- Adjust the collet to hold the bullet securely.
- Place an empty case in the reloading press to contact the collet.
- Operate the press according to the manufacturer's instructions.
- Monitor the operation to ensure smooth workflow and prevent jams.
- After reloading, inspect the finished cartridges for quality and safety.

Disposal Instructions

- Dispose of any worn or damaged components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in regular household waste. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please refer to the manufacturer's contact information provided with the product.

By following these safety guidelines and instructions, you can help ensure a safe and efficient reloading experience with your BULLET FEEDER PISTOL DIES 44 SPECIAL/MAGNUM. Thank you for your attention to safety.
