

# PRIMER POCKET TOOLS - PRIMER POCKET HANDLE

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Reamers & Swagers](#)

Hornady offers an array of high-quality hand tools for cleaning up primer pockets to ready spent brass for re-priming. Easy-to-use tools screw firmly into the lightweight aluminum handle that's fully knurled for positive grasp. Available in various combinations so you need only purchase the components you require. Primer Pocket Cleaners clear pockets of spent primer residue and carbon fouling for uniform seating of new primer to help ensure consistent, reliable ignition. Primer Pocket Reamers make military-issue brass reloadable by removing the primer crimp. Both components available in sizes for large or small primer pockets.

# Safety Instruction Guide for PRIMER POCKET TOOLS PRIMER POCKET HANDLE

## Introduction

Thank you for choosing the PRIMER POCKET TOOLS PRIMER POCKET HANDLE by Hornady. This product is designed to assist you in cleaning primer pockets of spent brass efficiently and safely. Please read this safety instruction guide carefully to understand how to use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you are using the product in a wellventilated area to avoid inhaling any dust or debris.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Always inspect the product for any signs of damage before use. Do not use if damaged.
- Use the tools only for their intended purpose as described in this guide.
- Follow all instructions provided for safe usage and maintenance of the product.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves to protect against debris and sharp edges.
- Ensure that the primer pocket is free from any obstructions before using the cleaner or reamer.
- Do not apply excessive force when using the tools; allow the tool to do the work to prevent injury or damage.
- Keep your hands and other body parts away from the tool's moving parts during use.
- Store the tools in a safe place after use to prevent accidents.

## Instructions for Installation and Usage

### Installation

1. Select the appropriate cleaner or reamer based on the size of the primer pocket (large or small).
2. Screw the selected tool firmly into the lightweight aluminum handle until secure.
3. Ensure that the handle is fully knurled for a positive grasp during use.

### Usage

#### 1. Using the Primer Pocket Cleaner:

- Insert the cleaner into the primer pocket.
- Rotate the tool gently to clear out any spent primer residue and carbon fouling.
- Remove the cleaner and check the pocket for cleanliness.
- Repeat if necessary until the pocket is clear.

#### 2. Using the Primer Pocket Reamer:

- Insert the reamer into the primer pocket.
- Rotate the tool to remove the primer crimp, making militaryissue brass reloadable.
- Remove the reamer and inspect the pocket for proper sizing.
- Ensure that the pocket is ready for new primer installation.

## **Disposal Instructions**

- Dispose of any spent primers and debris according to local regulations for hazardous waste.
- Do not dispose of the product in regular household waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the PRIMER POCKET TOOLS PRIMER POCKET HANDLE, please refer to the manufacturer's contact details provided on the product packaging or visit the Hornady website for support.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your PRIMER POCKET TOOLS PRIMER POCKET HANDLE. Remember to regularly check for updates regarding product safety and recalls through the EU's Safety Gate platform. Thank you for your attention to safety!
