

# PRIMER POCKET TOOLS - PRIMER POCKET CLEANER KIT LARGE

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Reamers & Swagers](#)

Hornady offers an array of high-quality hand tools for cleaning up primer pockets to ready spent brass for re-priming. Easy-to-use tools screw firmly into the lightweight aluminum handle that's fully knurled for positive grasp.

Available in various combinations so you need only purchase the components you require. Primer Pocket Cleaners clear pockets of spent primer residue and carbon fouling for uniform seating of new primer to help ensure consistent, reliable ignition. Primer Pocket Reamers make military-issue brass reloadable by removing the primer crimp. Both components available in sizes for large or small primer pockets.

# PRIMER POCKET CLEANER KIT LARGE Safety Instruction Guide

## Introduction

Thank you for choosing the PRIMER POCKET CLEANER KIT LARGE by Hornady. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this document carefully before using the kit.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is cleaning primer pockets and preparing spent brass for repriming.
- Always handle tools with care to avoid injury.
- Store the product in a safe, dry place away from children and pets.
- Regularly inspect tools for any signs of damage or wear before use.
- If you notice any defects or issues, stop using the product immediately and report it to the manufacturer.
- Follow all local regulations regarding the handling and disposal of spent brass and cleaning materials.

## Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety goggles and gloves while using the kit.
- Avoid inhaling dust or debris created during the cleaning process.
- Ensure that the area where you are working is wellventilated.
- Do not use the tools if you are under the influence of alcohol or drugs.
- Keep your workspace organized to prevent accidents and injuries.
- Be cautious of sharp edges on tools, and handle them with care.
- Avoid using excessive force when cleaning to prevent damage to the tools or the brass.

## Instructions for Installation and Usage

### 1. Assembly of Tools:

- Select the appropriate primer pocket cleaner or reamer based on the size of the primer pocket (large pistol or large rifle).
- Attach the selected tool securely to the lightweight aluminum handle. Ensure it is firmly screwed in to avoid detachment during use.

### 2. Cleaning Primer Pockets:

- Insert the primer pocket cleaner into the primer pocket of the spent brass.
- Rotate the tool gently to remove any residue or carbon fouling.
- Repeat as necessary until the pocket is clean.

### 3. Reaming Primer Pockets:

- For militaryissue brass, use the primer pocket reamer to remove the primer crimp.
- Insert the reamer into the primer pocket and turn it clockwise to cut away the crimp.
- Ensure that the reamer is removed carefully to avoid damaging the brass.

### 4. After Use:

- Clean the tools after each use to maintain their effectiveness and longevity.
- Store the tools in their designated case or container to prevent damage.

## Disposal Instructions

- Dispose of spent brass and any cleaning residues according to local regulations.
- Do not dispose of tools in regular household waste. Check with local waste management for proper disposal methods.
- Ensure that all cleaning materials are disposed of safely and responsibly.

## Contact Information for Further Support

For any questions or concerns regarding the PRIMER POCKET CLEANER KIT LARGE, please contact Hornady directly through their official channels. Ensure you have the product details and any relevant information ready for assistance.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the PRIMER POCKET CLEANER KIT LARGE. Thank you for your attention to safety, and enjoy your reloading process responsibly.
