Hornady offers an array of high-quality hand tools for cleaning up primer pockets to ready spent brass for re-priming. Easy-to-use tools screw firmly into the lightweight aluminum handle that's fully knurled for positive grasp. Available in various combinations so you need only purchase the components you require. Primer Pocket Cleaners clear pockets of spent primer residue and carbon fouling for uniform seating of new primer to help ensure consistent, reliable ignition. Primer Pocket Reamers make military-issue brass reloadable by removing the primer crimp. Both components available in sizes for large or small primer pockets.
