

PRIMER POCKET TOOLS - PRIMER POCKET REAMER KIT PACKAGE

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Reamers & Swagers](#)

Hornady offers an array of high-quality hand tools for cleaning up primer pockets to ready spent brass for re-priming. Easy-to-use tools screw firmly into the lightweight aluminum handle that's fully knurled for positive grasp. Available in various combinations so you need only purchase the components you require. Primer Pocket Cleaners clear pockets of spent primer residue and carbon fouling for uniform seating of new primer to help ensure consistent, reliable ignition. Primer Pocket Reamers make military-issue brass reloadable by removing the primer crimp. Both components available in sizes for large or small primer pockets.

PRIMER POCKET REAMER KIT PACKAGE Safety Instructions

Introduction

Thank you for choosing the Hornady Primer Pocket Reamer Kit. This product is designed to help you clean and prepare spent brass for repriming. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you understand the correct use of the tools before operating them.
- Keep the tools out of reach of children and vulnerable individuals.
- Regularly inspect tools for wear or damage before use.
- Do not use the tools for purposes other than intended.
- Follow local regulations regarding the disposal of spent brass and other materials.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the tools.
- Use the tools in a welllit area to avoid accidents.
- Ensure that the tools are securely attached to the aluminum handle before use.
- Avoid applying excessive force when using the tools to prevent breakage or injury.
- Handle the tools with care to avoid cuts or punctures from sharp edges.

Instructions for Installation and Usage

1. Preparing the Tool:

- Select the appropriate Primer Pocket Cleaner or Reamer for your needs (large or small primer pockets).
- Screw the selected tool firmly into the lightweight aluminum handle until secure.

2. Using the Primer Pocket Cleaner:

- Insert the cleaner into the primer pocket of the spent brass.
- Rotate the cleaner gently to remove any residue and fouling.
- Check the pocket for cleanliness before proceeding to reprime.

3. Using the Primer Pocket Reamer:

- Insert the reamer into the primer pocket of militaryissue brass.
- Rotate the reamer gently to remove the primer crimp.
- Ensure that the pocket is prepared for uniform seating of the new primer.

4. PostUse Care:

- After use, clean the tools to remove any debris.
- Store the tools in a safe, dry place away from children.

Disposal Instructions

- Dispose of spent brass and any other materials in accordance with local regulations.
- Do not dispose of tools in regular household waste. Check for local recycling programs for metal tools.

Contact Information for Further Support

For any safety inquiries or concerns regarding the use of this product, please contact the manufacturer or your local retailer. Ensure you have the product details ready for reference.

Remember: Safety is paramount when using any tools. Always prioritize your wellbeing and the safety of those around you. Thank you for choosing Hornady!
