Safety Instruction Guide for RCBS Shellholder #48

Introduction

Thank you for choosing the RCBS Shellholder #48. This product is designed for use with the 338 Norma Mag and 338 Lapua Mag cartridges. It is important to follow these safety instructions to ensure safe and effective use of the shellholder. This guide complies with the EU General Product Safety Regulation (GPSR) to help protect consumers.

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the shellholder is compatible with your reloading equipment.
- Regularly inspect the shellholder for any signs of wear or damage.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.
- Stay informed about product recalls or safety alerts via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the shellholder only for its intended purpose with compatible cartridges.
- Avoid using excessive force when inserting or removing cartridges.
- Ensure that the shellholder is properly secured in the reloading press before use.
- Do not modify the shellholder in any way that could compromise its safety or functionality.
- Wear appropriate safety gear, such as safety glasses, while reloading ammunition.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is turned off and unplugged.
- Select the appropriate RCBS shellholder for your cartridge.
- Insert the shellholder into the reloading press according to the manufacturer's instructions.
- Secure the shellholder in place, ensuring it is firmly attached.

2. Usage

- Place the cartridge into the shellholder, ensuring it fits snugly.
- Operate the reloading press according to the manufacturer's instructions.
- Monitor the reloading process closely to ensure proper functioning.
- After use, carefully remove the cartridge and shellholder from the press.

Disposal Instructions

- Dispose of the shellholder responsibly in accordance with local waste disposal regulations.
- Do not dispose of the shellholder in regular household waste if it is damaged or deemed unsafe.
- If necessary, contact local authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the RCBS Shellholder #48, please refer to the manufacturer's website

or contact your local distributor. Always ensure that you have the most up to date information regarding product safety and compliance.

By adhering to these safety instructions, you can ensure a safe and effective reloading experience with the RCBS Shellholder #48. Thank you for your attention to these important guidelines.
