

# ELD-X 6.5MM (0.264 ) RIFLE BULLETS - ELD-X® 6.5MM CAL (0.264") 143GR POLYMER TIP BOATTAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The ELD-X® (Extremely Low Drag - eXpanding) bullet is a technologically advanced, match accurate, ALL-RANGE hunting bullet featuring highest-in-class ballistic coefficients and consistent, controlled expansion at ALL practical hunting distances. FEATURES BEST-IN-CLASS BCS Verified by Doppler radar, the Heat Shield® tip is immune to the effects of aerodynamic heating and retains its shape to maintain the highest-in-class BC over its entire trajectory. MATCH ACCURATE HUNTING BULLET Streamlined secant ogive with optimum boattail design + highly concentric AMP® bullet jackets + Heat Shield® tip combine for radically superior aerodynamic efficiency. ELD-X bullets are available in factory loaded Precision Hunter ammunition. DEVASTATING CONVENTIONAL RANGE PERFORMANCE With high velocity 0-400 yard impact, the bullet continually expands throughout its penetration path. The thick shank of the jacket and high InterLock® ring keep the core and jacket together providing 50-60% weight retention. BEST EXTENDED RANGE TERMINAL PERFORMANCE AVAILABLE Upon low-velocity 400+ yard impacts, the Heat Shield® tip drives backward into the bullet to initiate expansion. Exhibiting conventional expansion with a large mushroom and 85-90% retained weight the bullet provides deep penetration and large wound cavities.

## Attributes

- Name: [ELD-X® 6.5MM CAL \(0.264"\) 143GR POLYMER TIP BOATTAIL 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749016359
- Mfr. No.: 2635
- Ballistic Coefficient (G1): 0.623
- Ballistic Coefficient (G7): 0.314
- Brand Style: ELD-X
- Bullet Style: ELD-X
- Caliber: 6.5mm,264 Caliber
- Diameter (in): 0.264
- Grain: 143
- Sectional Density: 0.293
- Quantity: 100
- Delivery weight: 0.953kg
- Shipping height: 51mm
- Shipping width: 64mm
- Shipping length: 102mm
- UPC: 090255226355

# ELDX 6.5MM RIFLE BULLETS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the ELDX® 6.5MM (0.264") Rifle Bullets. This guide provides essential safety information to ensure the safe and effective use of this product. Please read the entire guide carefully before using the bullets.

## General Safety Guidelines

- **Product Safety:** Ensure safe handling and usage of the ELDX bullets. Follow all guidelines to minimize risks.
- **Enhanced Recalls:** Be aware that in the event of a safety issue, standardized recall notices will be issued. Stay informed about any product recalls.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra precautions should be taken if the product is accessible to vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact point for assistance.
- **Rapid Alerts:** Stay updated on product safety through the EU's Safety Gate platform, which provides rapid alerts on unsafe products.

## Specific Safety Precautions for Use

- **Age Restriction:** This product is intended for use by individuals aged 18 and older. Ensure that minors do not access or use these bullets.
- **Protective Gear:** Always wear appropriate safety gear, including eye protection and hearing protection, when handling or using firearms with these bullets.
- **Storage:** Store bullets in a cool, dry place, away from heat sources and direct sunlight. Keep out of reach of children.
- **Handling:** Handle bullets with care. Avoid dropping or mishandling them to prevent damage or accidental discharge.
- **Transportation:** When transporting, ensure that bullets are secured in a proper container to prevent movement and potential hazards.

## Instructions for Installation and Usage

- **Compatibility:** Ensure that the ELDX bullets are compatible with your firearm. Refer to your firearm's manual for specifications.
- **Loading:** Follow the manufacturer's instructions for loading the bullets into your firearm. Ensure that the firearm is unloaded before loading bullets.
- **Sighting In:** Before using the bullets for hunting or target shooting, sight in your firearm to ensure accuracy.
- **Usage:** Use bullets only for their intended purpose, which is for hunting and target shooting. Do not use them for any other applications.
- **Cleaning:** After use, clean your firearm according to the manufacturer's instructions to maintain performance and safety.

## Disposal Instructions

- **Disposal of Unused Bullets:** If you have unused bullets, do not throw them in the regular trash. Contact your local waste management authority for safe disposal options.
- **Disposal of Expired or Damaged Bullets:** Follow local regulations for the disposal of ammunition. Do not attempt to disassemble or modify the bullets.

## Contact Information for Further Support

For further assistance or safety inquiries, please contact the designated EU contact point for this product. It is important to address any questions or concerns regarding safety.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ELDX 6.5MM Rifle Bullets. Thank you for your attention to these important guidelines.
