

# ELD-X .30 CALIBER (.308") RIFLE BULLETS - ELD-X 30 CAL (0.308") 178GR POLYMER TIPPED BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The ELD-X™ bullet is a technologically advanced, match accurate, ALL-RANGE hunting bullet featuring highest-in-class ballistic coefficients and consistent, controlled expansion at ALL practical hunting distances. All manufacturers conventional polymer tips in high BC bullets melt in flight. Hornady® engineers discovered that conventional bullet tip materials in streamlined, high BC bullets melt and deform. Although not a significant issue affecting moderate BC conventional tipped varmint and hunting bullets, aerodynamic heating causes BC reduction and degradation of accuracy, particularly at extended ranges (400 yds +). To counter this effect, Hornady® identified a heat resistant polymer and developed the patent pending Heat Shield™ tip. This revolutionary new tip creates the perfect meplat (tip) with exceptionally consistent results from bullet-to-bullet and lot-to-lot. At conventional range (0-400 yards), the ELD-X bullet is designed to continually expand throughout its penetration path. Upon impact the thin nose section of the bullet peels back and sheds material until it reaches the thick shank of the bullet jacket where the InterLock ring works to keep the core and jacket together. The remaining heavy shank of the bullet continues to drive forward and expand for extremely lethal results.

## Attributes

- Name: [ELD-X 30 CAL \(0.308"\) 178GR POLYMER TIPPED BOAT TAIL 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749016362
- Mfr. No.: 3074
- Ballistic Coefficient (G1): 0.552
- Ballistic Coefficient (G7): 0.278
- Brand Style: ELD-X
- Bullet Style: ELD-X
- Caliber: 30 Caliber
- Diameter (in): 0.308
- Grain: 178
- Sectional Density: 0.268
- Quantity: 100
- Delivery weight: 1.184kg
- Shipping height: 56mm
- Shipping width: 69mm
- Shipping length: 109mm
- UPC: 090255230741

## Item details

Made in USA

US export classification: 0A505.x

# ELDX .30 Caliber (.308") Rifle Bullets Safety Instruction Guide

## Introduction

Thank you for choosing the ELDX .30 Caliber (.308") Rifle Bullets. This guide provides essential safety instructions and precautions to ensure the safe use of this product. Please read this guide carefully before handling or using the bullets.

## General Safety Guidelines

- Ensure proper storage of bullets in a cool, dry place away from direct sunlight.
- Keep bullets out of reach of children and unauthorized individuals.
- Always handle bullets with care and respect, treating them as potentially dangerous items.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling bullets.
- Follow all local, state, and federal laws regarding the purchase, storage, and use of ammunition.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always verify that your firearm is compatible with .30 caliber (.308") bullets before use.
- Do not exceed the manufacturer's recommended load data for your firearm.
- Inspect bullets for any signs of damage or defects before use.
- Ensure the firearm is pointed in a safe direction when loading and unloading.
- Keep the muzzle of the firearm clear of obstructions before firing.
- Avoid using bullets that have been stored in conditions that may have compromised their integrity (e.g., exposure to moisture).
- Never mix different types or brands of ammunition in the same magazine or chamber.

## Instructions for Installation and Usage

### • Loading Bullets:

1. Ensure the firearm is pointed in a safe direction.
2. Open the action of the firearm and visually inspect the chamber to ensure it is clear.
3. Load the bullets according to the manufacturer's instructions for your specific firearm.

### • Firing Bullets:

1. Always wear appropriate safety gear, including eye and ear protection.
2. Ensure the shooting area is clear of people and animals.
3. Follow proper shooting stance and grip as per your firearm's manual.
4. Squeeze the trigger gently to fire the bullet while maintaining control of the firearm.

### • Unloading Bullets:

1. Open the action of the firearm and visually inspect the chamber to ensure it is clear.
2. Remove any remaining bullets from the magazine or chamber.
3. Store unused bullets safely and securely.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local laws and regulations.
- Do not throw bullets in regular household waste.
- Contact your local waste management authority for guidance on safe disposal methods.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the ELDX .30 Caliber (.308") Rifle Bullets, please refer to the manufacturer's website or customer support resources. Always ensure that you have the latest information regarding product safety and updates.

Thank you for taking the time to read this safety instruction guide. Your safety and the safety of others are of utmost importance. Always prioritize safe handling and usage practices.
