

ELD-X .30 CALIBER (.308") RIFLE BULLETS - ELD-X 30 CAL (0.308") 200GR POLYMER TIPPED BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The ELD-X™ bullet is a technologically advanced, match accurate, ALL-RANGE hunting bullet featuring highest-in-class ballistic coefficients and consistent, controlled expansion at ALL practical hunting distances. All manufacturers conventional polymer tips in high BC bullets melt in flight. Hornady® engineers discovered that conventional bullet tip materials in streamlined, high BC bullets melt and deform. Although not a significant issue affecting moderate BC conventional tipped varmint and hunting bullets, aerodynamic heating causes BC reduction and degradation of accuracy, particularly at extended ranges (400 yds +). To counter this effect, Hornady® identified a heat resistant polymer and developed the patent pending Heat Shield™ tip. This revolutionary new tip creates the perfect meplat (tip) with exceptionally consistent results from bullet-to-bullet and lot-to-lot. At conventional range (0-400 yards), the ELD-X bullet is designed to continually expand throughout its penetration path. Upon impact the thin nose section of the bullet peels back and sheds material until it reaches the thick shank of the bullet jacket where the InterLock ring works to keep the core and jacket together. The remaining heavy shank of the bullet continues to drive forward and expand for extremely lethal results.

Attributes

- Name: [ELD-X 30 CAL \(0.308"\) 200GR POLYMER TIPPED BOAT TAIL 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749016363
- Mfr. No.: 3076
- Ballistic Coefficient (G1): 0.597
- Ballistic Coefficient (G7): 0.301
- Brand Style: ELD-X
- Bullet Style: ELD-X
- Caliber: 30 Caliber
- Diameter (in): 0.308
- Grain: 200
- Sectional Density: 0.301
- Quantity: 100
- Delivery weight: 1.361kg
- Shipping height: 51mm
- Shipping width: 89mm
- Shipping length: 102mm
- UPC: 090255230765

Item details

Made in USA

US export classification: 0A505.x

ELDX .30 CALIBER (.308") RIFLE BULLETS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the ELDX .30 Caliber (.308") Rifle Bullets. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow these instructions carefully to minimize risks associated with handling and using rifle bullets.

General Safety Guidelines

- **Product Safety:** The ELDX bullets are designed with advanced technology to enhance safety during use. However, users must adhere to safety practices to avoid accidents.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized notices. Please stay informed and follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the retailer meets all safety requirements outlined by the EU General Product Safety Regulation.
- **Special Consumer Focus:** Extra caution should be taken when handling these bullets, especially around children and vulnerable groups. Keep all ammunition out of reach.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform for any alerts regarding unsafe products.

Specific Safety Precautions for Use

- **Age Restrictions:** Ensure that only individuals above the legal age for purchasing and handling ammunition in your country use these bullets.
- **Storage:**
 - Store bullets in a cool, dry place away from direct sunlight.
 - Keep ammunition in a locked container to prevent unauthorized access.
- **Handling:**
 - Always handle bullets with care and treat them as if they are live ammunition.
 - Do not point the bullet at yourself or others.
- **Transportation:**
 - When transporting bullets, ensure they are in a secure and appropriate container.
 - Follow local laws regarding the transportation of ammunition.
- **Inspection:** Regularly inspect your bullets for any signs of damage or corrosion. Do not use damaged bullets.

Instructions for Installation and Usage

- **Loading:**
 - Follow the instructions provided with your firearm for loading ammunition.
 - Ensure the firearm is pointed in a safe direction when loading.
- **Firing:**
 - Always wear appropriate eye and ear protection when firing.
 - Ensure that the shooting area is safe and free from bystanders.
- **Cleaning:**
 - After use, clean your firearm according to the manufacturer's instructions to maintain optimal performance and safety.
- **Disposal:**
 - Do not dispose of unused or spent bullets in regular trash.

- Follow local regulations for the disposal of ammunition. Contact local authorities for guidance on safe disposal methods.

Disposal Instructions

- **Unused Bullets:** Return any unused bullets to the retailer or contact local authorities for safe disposal options.
- **Spent Casings:** Collect and dispose of spent casings according to local waste management regulations. Many ranges and shooting clubs have designated collection points for spent casings.

Contact Information for Further Support

For any questions or concerns regarding the ELDX .30 Caliber (.308") Rifle Bullets, please consult the manufacturer's website or contact your retailer for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your ELDX .30 Caliber (.308") Rifle Bullets. Thank you for your attention to safety.
