

# ELD-X .30 CALIBER (.308") RIFLE BULLETS - ELD-X 30 CAL (0.308") 212GR POLYMER TIPPED BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The ELD-X™ bullet is a technologically advanced, match accurate, ALL-RANGE hunting bullet featuring highest-in-class ballistic coefficients and consistent, controlled expansion at ALL practical hunting distances. All manufacturers conventional polymer tips in high BC bullets melt in flight. Hornady® engineers discovered that conventional bullet tip materials in streamlined, high BC bullets melt and deform. Although not a significant issue affecting moderate BC conventional tipped varmint and hunting bullets, aerodynamic heating causes BC reduction and degradation of accuracy, particularly at extended ranges (400 yds +). To counter this effect, Hornady® identified a heat resistant polymer and developed the patent pending Heat Shield™ tip. This revolutionary new tip creates the perfect meplat (tip) with exceptionally consistent results from bullet-to-bullet and lot-to-lot. At conventional range (0-400 yards), the ELD-X bullet is designed to continually expand throughout its penetration path. Upon impact the thin nose section of the bullet peels back and sheds material until it reaches the thick shank of the bullet jacket where the InterLock ring works to keep the core and jacket together. The remaining heavy shank of the bullet continues to drive forward and expand for extremely lethal results.

## Attributes

- Name: [ELD-X 30 CAL \(0.308"\) 212GR POLYMER TIPPED BOAT TAIL 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749016364
- Mfr. No.: 3077
- Ballistic Coefficient (G1): 0.663
- Ballistic Coefficient (G7): 0.334
- Brand Style: ELD-X
- Bullet Style: ELD-X
- Caliber: 30 Caliber
- Diameter (in): 0.308
- Grain: 212
- Sectional Density: 0.319
- Quantity: 100
- Delivery weight: 1.429kg
- Shipping height: 51mm
- Shipping width: 76mm
- Shipping length: 102mm
- UPC: 090255230772

# ELDX .30 Caliber (.308") Rifle Bullets Safety Instruction Guide

## Introduction

Thank you for choosing Hornady ELDX .30 Caliber (.308") Rifle Bullets. This guide provides essential safety information to ensure the safe and effective use of your bullets. Please read this guide carefully before use to understand the potential hazards and how to avoid them.

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Use only in firearms that are in good working condition and designed for .30 caliber ammunition.
- Always wear appropriate eye and ear protection when using firearms.
- Follow all local laws and regulations regarding ammunition use and storage.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded when loading or unloading bullets.
- Check the bullet specifications to ensure compatibility with your firearm.
- Never exceed the recommended load data for your specific firearm.
- Avoid using damaged or deformed bullets.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not point the firearm at anything you do not intend to shoot.

## Instructions for Installation and Usage

### 1. Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and verify it is unloaded.
- Carefully insert the bullet into the chamber or magazine as per the firearm's instructions.

### 2. Firing the Bullets:

- Always follow the manufacturer's instructions for your specific firearm.
- Ensure that the firing area is clear of people and obstacles.
- Take a stable shooting position and aim carefully before pulling the trigger.

### 3. PostFiring:

- After firing, keep the firearm pointed in a safe direction and wait a few moments before opening the action.
- Check for any obstructions in the barrel before reloading.
- Store unused bullets in their original packaging to prevent damage.

## Disposal Instructions

- Dispose of spent casings and unused bullets in accordance with local regulations.
- Do not throw bullets in regular household waste.
- Contact local authorities or a licensed disposal service for safe disposal options.

## **Contact Information for Further Support**

For inquiries related to safety, product recalls, or other concerns, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can enjoy the performance of Hornady ELDX .30 Caliber (.308") Rifle Bullets while ensuring your safety and the safety of others. Always prioritize safety and responsibility when handling firearms and ammunition.
