

# ELD-X .30 CALIBER (.308") RIFLE BULLETS - ELD-X 30 CAL (0.308") 220GR POLYMER TIPPED BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The ELD-X™ bullet is a technologically advanced, match accurate, ALL-RANGE hunting bullet featuring highest-in-class ballistic coefficients and consistent, controlled expansion at ALL practical hunting distances. All manufacturers conventional polymer tips in high BC bullets melt in flight. Hornady® engineers discovered that conventional bullet tip materials in streamlined, high BC bullets melt and deform. Although not a significant issue affecting moderate BC conventional tipped varmint and hunting bullets, aerodynamic heating causes BC reduction and degradation of accuracy, particularly at extended ranges (400 yds +). To counter this effect, Hornady® identified a heat resistant polymer and developed the patent pending Heat Shield™ tip. This revolutionary new tip creates the perfect meplat (tip) with exceptionally consistent results from bullet-to-bullet and lot-to-lot. At conventional range (0-400 yards), the ELD-X bullet is designed to continually expand throughout its penetration path. Upon impact the thin nose section of the bullet peels back and sheds material until it reaches the thick shank of the bullet jacket where the InterLock ring works to keep the core and jacket together. The remaining heavy shank of the bullet continues to drive forward and expand for extremely lethal results.

## Attributes

- Name: [ELD-X 30 CAL \(0.308"\) 220GR POLYMER TIPPED BOAT TAIL 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749016365
- Mfr. No.: 3078
- Ballistic Coefficient (G1): 0.654
- Ballistic Coefficient (G7): 0.329
- Brand Style: ELD-Match
- Bullet Style: ELD-X
- Caliber: 30 Caliber
- Diameter (in): 0.308
- Grain: 220
- Sectional Density: 0.331
- Quantity: 100
- Delivery weight: 1.497kg
- Shipping height: 64mm
- Shipping width: 89mm
- Shipping length: 114mm
- UPC: 090255230789

# ELDX .30 CALIBER RIFLE BULLETS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the ELDX .30 Caliber (.308") Rifle Bullets. This guide provides important safety information to ensure the safe use of this product. Please read and understand all instructions and safety precautions before using the bullets.

## General Safety Guidelines

- Ensure that all users are familiar with firearm safety principles and practices.
- Always store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of the reach of children and unauthorized persons.
- Regularly inspect your ammunition for signs of damage or corrosion before use.
- Dispose of any damaged or questionable ammunition according to local regulations.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the correct caliber and type of bullets for your firearm.
- Ensure that your firearm is in good working condition and is properly maintained.
- Wear appropriate eye and ear protection when shooting.
- Never point a firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure that you have a safe backstop before firing.
- Do not attempt to modify the bullets or use them in a manner other than intended.
- Follow all local laws and regulations regarding the use of ammunition and firearms.

## Instructions for Installation and Usage

### 1. Loading the Bullets:

- Open the box of ELDX .30 Caliber bullets carefully.
- Inspect each bullet for any visible defects or damage.
- Load the bullets into your firearm's magazine or chamber according to the manufacturer's instructions.

### 2. Firing the Bullets:

- Ensure your firearm is pointed in a safe direction.
- Check that the safety mechanism is engaged until you are ready to fire.
- When ready, disengage the safety and fire the bullet while maintaining a firm grip on the firearm.

### 3. PostFiring Procedures:

- Once you have finished shooting, ensure the firearm is unloaded and the safety is engaged.
- Clean your firearm according to the manufacturer's recommendations to maintain its performance.

## Disposal Instructions

- Do not dispose of ammunition in regular trash or recycling bins.
- Follow local regulations for the disposal of ammunition. This may involve taking it to a designated

hazardous waste facility or contacting local law enforcement for guidance.

- Always ensure that any disposed bullets are rendered safe to prevent accidental discharge.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the ELDX .30 Caliber Rifle Bullets, please contact your local distributor or manufacturer. Ensure you have the product details available for reference.

By following these safety instructions, you can help ensure a safe and enjoyable shooting experience with your ELDX .30 Caliber Rifle Bullets. Thank you for your attention to safety!
