

# ELD-X® .270 CALIBER (.277") RIFLE BULLETS - ELD-X .270 CAL (0.277") 145GR POLYMER TIP BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The ELD-X® (Extremely Low Drag - eXpanding) bullet is a technologically advanced, match accurate, ALL-RANGE hunting bullet featuring highest-in-class ballistic coefficients and consistent, controlled expansion at ALL practical hunting distances. PRODUCT FEATURES BEST-IN-CLASS BCS Verified by Doppler radar, the Heat Shield® tip is immune to the effects of aerodynamic heating and retains its shape to maintain the highest-in-class BC over its entire trajectory. MATCH ACCURATE HUNTING BULLET Streamlined secant ogive with optimum boattail design + highly concentric AMP® bullet jackets + Heat Shield® tip combine for radically superior aerodynamic efficiency. ELD-X bullets are available in factory loaded Precision Hunter ammunition. DEVASTATING CONVENTIONAL RANGE PERFORMANCE With high velocity 0-400 yard impact, the bullet continually expands throughout its penetration path. The thick shank of the jacket and high InterLock® ring keep the core and jacket together providing 50-60% weight retention. BEST EXTENDED RANGE TERMINAL PERFORMANCE AVAILABLE Upon low-velocity 400+ yard impacts, the Heat Shield® tip drives backward into the bullet to initiate expansion. Exhibiting conventional expansion with a large mushroom and 85-90% retained weight the bullet provides deep penetration and large wound cavities.

## Attributes

- Name: [ELD-X .270 CAL \(0.277"\) 145GR POLYMER TIP BOAT TAIL 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749016762
- Mfr. No.: 27356
- Caliber: 270 Caliber
- Diameter (in): 0.277
- Grain: 145
- Quantity: 100
- Delivery weight: 0.998kg
- Shipping height: 64mm
- Shipping width: 76mm
- Shipping length: 114mm
- UPC: 090255273564

## Item details

Made in USA

US export classification: 0A505.x

# ELDX® .270 Caliber Rifle Bullets Safety Instruction Guide

## Introduction

Thank you for choosing the ELDX® .270 Caliber (.277") Rifle Bullets. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this document carefully before use to understand the safety measures and proper handling procedures.

## General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not addressed by other EU laws.
- Check for standardized recall notices and remedies for dangerous products.
- Online shopping provides the same protections as physical stores; ensure compliance with safety requirements.
- Extra safeguards are in place for vulnerable groups, such as children.
- All products must have an EU-based contact for safety inquiries.
- Stay informed about unsafe products through the Safety Gate system and report any unsafe products or accidents to authorities.

## Specific Safety Precautions for Use

- Always handle ammunition with care and keep it out of reach of children.
- Wear appropriate eye and ear protection when using firearms.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Inspect bullets for any signs of damage before use.
- Do not use bullets that have been exposed to water or other contaminants.
- Ensure that your firearm is compatible with .270 caliber ammunition before use.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## Instructions for Installation and Usage

- Before loading the bullets, make sure the firearm is pointed in a safe direction and is unloaded.
- Load the bullets into the firearm according to the manufacturer's instructions.
- When ready to fire, ensure that the firing area is clear of any obstructions and bystanders.
- Fire the weapon in a controlled manner, following all safety protocols.
- After use, clean the firearm according to the manufacturer's recommendations to maintain performance and safety.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local laws and regulations.
- Do not throw bullets in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the ELDX® .270 Caliber Rifle Bullets, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. Enjoy your shooting experience responsibly!
