

7MM (.284") 150 GRAIN ELD-X BULLETS - ELD-X 7MM (0.284") 150GR POLYMER TIP BOATTAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The ELD-X bullet is a technologically advanced, match accurate, ALL-RANGE hunting bullet featuring highest-in-class ballistic coefficients and consistent, controlled expansion at ALL practical hunting distances. Best-in-class BCs Match accurate hunting bullet Devastating conventional range performance Best extended range terminal performance available Hornady engineers discovered that commonly used bullet tip materials in streamlined, high BC bullets melt and deform. Although not a significant issue affecting moderate BC conventional tipped varmint and hunting bullets, aerodynamic heating causes BC reduction and degradation of accuracy, particularly at extended ranges (400 yds +). To counter this effect, Hornady identified a heat resistant polymer and developed the Heat Shield tip. This revolutionary new tip creates the perfect meplat (tip) with exceptionally consistent results from bullet-to-bullet and lot-to-lot.

Attributes

- Name: [ELD-X 7MM \(0.284"\) 150GR POLYMER TIP BOATTAIL 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749016763
- Mfr. No.: 2826
- Ballistic Coefficient (G1): 0.574
- Ballistic Coefficient (G7): 0.289
- Brand Style: ELD-X
- Bullet Style: ELD-X
- Caliber: 7mm,284 Caliber
- Diameter (in): 0.284
- Grain: 150
- Sectional Density: 0.266
- Quantity: 100
- Delivery weight: 0.998kg
- Shipping height: 51mm
- Shipping width: 64mm
- Shipping length: 102mm
- UPC: 090255228267

Safety Instruction Guide for 7MM (.284") 150 GRAIN ELDX BULLETS

Introduction

Thank you for purchasing the 7MM (.284") 150 GRAIN ELDX BULLETS. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully to understand how to handle, use, and dispose of these bullets safely.

General Safety Guidelines

- Always handle ammunition with care and respect. Treat every bullet as if it is loaded.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Follow all local laws and regulations regarding the purchase, storage, and use of ammunition.
- Use appropriate protective gear, including safety glasses and hearing protection, when handling or firing ammunition.
- Ensure that your firearm is compatible with the bullets you are using. Refer to your firearm's manual for specifications.
- Regularly inspect your firearm to ensure it is in proper working condition before use.

Specific Safety Precautions for Use

- Only use the ELDX bullets in firearms that are designed for 7mm caliber ammunition.
- Do not exceed the recommended load data provided by your reloading manual.
- Avoid using damaged or deformed bullets, as they may cause unsafe firing conditions.
- Do not attempt to modify or alter the bullets in any way.
- Be aware of your surroundings when firing. Ensure that the area is clear of people and animals.
- Always point the firearm in a safe direction, away from yourself and others.
- Use a proper shooting rest or support to stabilize your firearm while aiming and firing.
- Do not fire at hard surfaces or water, as bullets may ricochet.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary equipment, including your firearm, bullets, and protective gear.

2. Loading the Bullets:

- Follow the instructions in your reloading manual to properly load the ELDX bullets into your cartridges.
- Ensure that the bullets are seated correctly and securely in the cartridge case.

3. Firing:

- Once the firearm is loaded, take a stable shooting position.
- Aim at your target and ensure that the area is safe before firing.
- Pull the trigger smoothly and steadily.

4. PostFiring:

- After firing, always treat the firearm as if it is still loaded until you have verified it is empty.
- Clean your firearm according to the manufacturer's instructions after use.

Disposal Instructions

- Dispose of used or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash.
- Contact your local waste management authority for guidance on proper disposal methods.
- Ensure that all spent cartridges and bullet remnants are safely collected and disposed of to prevent environmental contamination.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the 7MM (.284") 150 GRAIN ELDX BULLETS, please refer to the manufacturer's contact information found on the packaging or visit their official website.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your 7MM (.284") 150 GRAIN ELDX BULLETS. Always prioritize safety and remain informed about best practices for handling ammunition. Thank you for choosing our product.
