

# ELD® MATCH .22 CALIBER (.224") RIFLE BULLETS - ELD MATCH .22 CAL(0.224") 52GR POLYMER TIP BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

ELD Match bullets are technologically advanced, enhanced accuracy target bullets featuring Heat Shield tips with the PERFECT MEPLAT (tip point) combined with numerous design features that deliver the highest-in-class ballistic coefficients, superior accuracy and extreme consistency from bullet-to-bullet, lot-to-lot. Best-in-class BCs Deliver the highest degree of accuracy and bullet-to-bullet/lot-to-lot consistency. Accurate, radar verified BCs Hornady engineers discovered that commonly used bullet tip materials in streamlined, high BC bullets melt and deform. Although not a significant issue affecting moderate BC conventional tipped varmint and hunting bullets, aerodynamic heating causes BC reduction and degradation of accuracy, particularly at extended ranges (400 yds +). To counter this effect, Hornady identified a heat resistant polymer and developed the Heat Shield tip. This revolutionary new tip creates the perfect meplat (tip) with exceptionally consistent results from bullet-to-bullet and lot-to-lot.

## Attributes

- Name: [ELD MATCH .22 CAL\(0.224"\) 52GR POLYMER TIP BOAT TAIL 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749016764
- Mfr. No.: 22491
- Ballistic Coefficient (G1): 0.247
- Ballistic Coefficient (G7): -
- Brand Style: ELD-Match
- Bullet Style: ELD-Match
- Caliber: 22 Caliber
- Diameter (in): 0.224
- Grain: 52
- Sectional Density: 0.148
- Quantity: 100
- Delivery weight: 0.272kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 51mm
- UPC: 090255224917

## Item details

Made in USA

US export classification: 0A505.x

# ELD® MATCH .22 CALIBER RIFLE BULLETS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing ELD® Match .22 Caliber (.224") Rifle Bullets. These bullets are designed for enhanced accuracy and consistency in shooting. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure safe handling and use of all nonfood products, including ammunition.
- Be aware of potential risks associated with the use of bullets, including accidental discharge and improper storage.
- Always follow local laws and regulations regarding the purchase, storage, and use of ammunition.
- Use protective gear, such as eye and ear protection, when shooting.
- Keep ammunition out of reach of children and unauthorized users.
- Regularly check for product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Handling:**
  - Always treat every bullet as if it is loaded.
  - Keep fingers away from the trigger until ready to shoot.
- **Storage:**
  - Store bullets in a cool, dry place, away from direct sunlight and moisture.
  - Use a locked container for storage to prevent unauthorized access.
- **Transportation:**
  - Transport bullets in a secure, closed container.
  - Ensure the container is clearly labeled and complies with local regulations.
- **Usage:**
  - Use only in firearms specifically designed for .22 caliber bullets.
  - Do not exceed the recommended load specifications for your firearm.
  - Always follow the firearm manufacturer's instructions for loading and shooting.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure the firearm is unloaded before attempting to load bullets.
  - Open the action of the firearm and verify that it is clear of any obstructions.
  - Load bullets according to the manufacturer's instructions for your specific firearm model.
- **Usage:**
  - Aim only at targets or backstops that are safe and appropriate for shooting.
  - Be aware of your surroundings and ensure no one is in the line of fire.
  - Follow all safety protocols at shooting ranges or during hunting activities.
- **PostUse:**
  - After use, store any remaining bullets in a secure location.
  - Clean your firearm according to the manufacturer's instructions to ensure optimal performance.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Never throw bullets in regular trash. Check with local authorities for proper disposal methods.

- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please contact the relevant EBased support services or your local authorities for assistance.

By following these guidelines, you can ensure safe and effective use of ELD® Match .22 Caliber Rifle Bullets. Thank you for your commitment to safety.
