Safety Instruction Guide for LOCKNLOAD ATTACHMENT ADAPTER

Introduction

Thank you for choosing the Hornady® LockNLoad® Attachment Adapter. This product is designed to enhance your reloading experience by converting a conventional drill or modular screwdriver into a versatile tool. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and follow all instructions and warnings provided with the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Use the product only for its intended purpose as described in this guide.
- Ensure that any electrical tools used with the attachment are in good working condition and compliant with safety standards.
- In case of any accidents or unsafe conditions, report them to the appropriate authorities.
- Regularly check the EU's Safety Gate platform for any recall updates related to this product.

Specific Safety Precautions for Use

- Ensure that the drill or screwdriver is turned off and unplugged before attaching or detaching the LockNLoad Attachment Adapter.
- Use appropriate personal protective equipment (PPE) such as safety goggles and gloves when operating the tool.
- Do not exceed the recommended torque settings for the drill or screwdriver to prevent damage or injury.
- Avoid using the product in wet or damp conditions to reduce the risk of electrical hazards.
- Do not use the attachment for any purpose other than what it is designed for, such as cutting, chamfering, or deburring.
- Always maintain a firm grip on the tool while in use to prevent slipping or loss of control.

Instructions for Installation and Usage

1. Installation:

- Ensure the drill or screwdriver is turned off and unplugged.
- Align the LockNLoad Attachment Adapter with the chuck of the drill or screwdriver.
- Securely tighten the chuck to hold the attachment in place.
- Confirm that the attachment is firmly attached before proceeding.

2. Usage:

- Select the appropriate speed setting on your drill or screwdriver for the task at hand.
- Use the attachment in a welllit and stable work area.
- Apply light pressure to the tool while in operation; do not force the attachment through material.
- Monitor the attachment for any signs of wear or damage during use and replace if necessary.

3. PostUsage:

- Turn off and unplug the tool after use.
- Carefully detach the LockNLoad Attachment Adapter from the tool by loosening the chuck.
- Clean the attachment and store it in a safe, dry place away from children.

Disposal Instructions

- Dispose of the LockNLoad Attachment Adapter in accordance with local regulations.
- Do not dispose of the product in household waste. Check for designated recycling centers for proper disposal.

Contact Information for Further Support

For any questions or concerns regarding the LockNLoad Attachment Adapter, please refer to the manufacturer's contact information provided in the product packaging or documentation.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using your Hornady® LockNLoad® Attachment Adapter responsibly!
