# Safety Instruction Guide for AP Powder Thru Expanders (PTX) 30 Caliber Powder Through Expander

## Introduction

Thank you for choosing the AP Powder Thru Expanders (PTX) 30 Caliber Powder Through Expander. This product is designed to enhance your experience with the Hornady LockNLoad Auto Progressive Press (AP) by providing the fastest cartridge conversion available. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Ensure that the work area is clean, dry, and welllit.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the expander only with compatible cartridges as specified by the manufacturer.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using this product.
- Avoid distractions while operating the press and expander.
- Do not exceed the recommended load limits for cartridges.
- Ensure that the expander is securely attached before use to prevent accidents.
- Be aware of the risk of pinch points and keep hands clear during operation.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the Hornady LockNLoad Auto Progressive Press (AP) is turned off and unplugged.
- Select the appropriate expander for your cartridge.
- Align the expander with the designated slot on the press.
- Securely fasten the expander in place according to the manufacturer's instructions.
- Doublecheck that the expander is properly installed before proceeding.

### 2. Usage

- Prepare your workspace by organizing tools and materials.
- Load the cartridge case into the press as per the manufacturer's guidelines.
- Activate the press to begin the expansion process.
- Monitor the operation closely to ensure everything functions correctly.
- Once the operation is complete, carefully remove the expanded cartridge.

## Disposal Instructions

- Dispose of any unused or damaged products in accordance with local regulations.
- Do not dispose of the product in regular household waste; check for designated disposal facilities.

- Ensure that any materials used in conjunction with the product are also disposed of safely and responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the AP Powder Thru Expanders (PTX) 30 Caliber Powder Through Expander, please refer to the manufacturer's official support resources.

By following these safety instructions, you can ensure a safe and efficient experience with your AP Powder Thru Expanders (PTX) 30 Caliber Powder Through Expander. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention and enjoy your reloading experience!
