ELDMATCH BULLET SEATING STEMS 30 CALIBER (.308") 225GR ELD MATCH Safety Instructions

Introduction

Thank you for choosing the Hornady ELD Match Bullet Seating Stems. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition and reloading components.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about any product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Do not exceed the recommended load data provided by the bullet manufacturer.
- Avoid using damaged or worn components, as they may lead to malfunctions or accidents.
- Ensure that your workspace is clean and organized to prevent accidents.
- Do not leave the product unattended while in use.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components for reloading.
- Ensure that your reloading area is wellventilated and free from distractions.

2. Installation of the Seating Stem

- Remove the seating stem from its packaging.
- Ensure that the Hornady Bullet Seating Die is clean and free of debris.
- Insert the ELD Match Bullet Seating Stem into the Hornady Bullet Seating Die, ensuring it is securely in place.

3. Seating the Bullets

- Adjust the seating die to the desired depth according to your reloading specifications.
- Place the bullet into the case mouth.
- Use the press to seat the bullet, ensuring that the stem aligns with the bullet profile for precise seating.
- Check the overall length of the cartridge to ensure it meets your specifications.

4. PostInstallation Checks

- Inspect the seated bullets for proper alignment and depth.
- Store any unused components in a safe, dry place away from children.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of ammunition or reloading components in regular household waste.
- Follow your local guidelines for hazardous waste disposal if applicable.

Contact Information for Further Support

For any questions or concerns regarding the use of the Hornady ELD Match Bullet Seating Stems, please refer to the manufacturer's website or contact their support team directly.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your reloading experience!
