MATCH GRADE RIFLE DIE SETS 6MM CREEDMOOR FULL LENGTH 2DIE SET Safety Instruction Guide

Introduction

Thank you for purchasing the MATCH GRADE RIFLE DIE SETS 6MM CREEDMOOR FULL LENGTH 2DIE SET by Hornady. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow these instructions carefully.

General Safety Guidelines

- Always use the die set in accordance with the manufacturer's instructions.
- Keep the die set out of reach of children and unauthorized users.
- Inspect the die set for any damage or wear before each use.
- Use appropriate protective equipment, such as safety glasses, while operating the die set.
- Ensure that your workspace is clean, dry, and welllit to avoid accidents.
- Be aware of the potential hazards associated with reloading ammunition.

Specific Safety Precautions for Use

- Ensure that the die set is compatible with the 6mm Creedmoor cartridge before use.
- Do not exceed the recommended load limits specified in your reloading manual.
- Always check for proper alignment before starting the reloading process.
- Use the full length bushing die correctly to avoid oversizing the case necks.
- Handle all components, including brass and primers, with care to prevent injury.
- Store the die set in a secure location when not in use to prevent unauthorized access.

Instructions for Installation and Usage

1. Setup:

- Ensure your reloading press is securely mounted and stable.
- Gather all necessary tools and components, including the die set, brass cases, and primers.

2. Installation:

- Install the full length bushing die into the reloading press following the manufacturer's instructions.
- Select the appropriate neck size bushing and install it securely in the bushing die.

3. Reloading Process:

- Place a brass case into the shell holder of the press.
- Pull the handle to resize the case using the full length bushing die.
- Remove the resized case and inspect it for proper sizing.
- Repeat the process for all cases to be reloaded.

4. Seating the Bullet:

- Install the seater die into the press.
- Adjust the die according to the bullet length specifications.
- Place a bullet on the case mouth and pull the handle to seat the bullet securely.

5. Final Inspection:

- Inspect each loaded cartridge for proper dimensions and overall quality.
- Store completed ammunition in a safe and secure manner.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Recycle brass cases where possible, following local recycling guidelines.
- Do not dispose of hazardous materials in regular waste.

Contact Information for Further Support

For any questions or concerns regarding the MATCH GRADE RIFLE DIE SETS, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines, you can ensure safe and effective use of your MATCH GRADE RIFLE DIE SETS 6MM CREEDMOOR FULL LENGTH 2DIE SET. Thank you for prioritizing safety in your reloading practices.
