# Safety Instruction Guide for MATCH GRADE RIFLE DIE SETS 3006 SPRINGFIELD FULL LENGTH 2DIE SET

## Introduction

Thank you for choosing the Hornady Match Grade Rifle Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the die set.

## General Safety Guidelines

- Always handle reloading equipment with care to prevent accidents.
- Ensure the workspace is clean, welllit, and free from distractions.
- Use personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Keep the die set and all reloading components out of reach of children and unauthorized individuals.
- Regularly inspect the die set for signs of wear or damage. Do not use if damaged.
- Always follow the manufacturer's instructions for all components used in conjunction with the die set.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper use may lead to misfires or accidents.
- Overworking brass can cause case necks to become oversized, leading to potential failures.

- **Avoiding Hazards:**

- Always use the correct bushing size for your specific cartridge to ensure proper neck sizing.
- Do not exceed recommended loads as specified in reputable reloading manuals.
- Ensure all components (powder, primers, bullets) are compatible with the 3006 Springfield cartridge.
- Never leave the reloading process unattended.

- **Age Restrictions:**

- This product is intended for use by individuals aged 18 and older. Ensure that minors are supervised at all times.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure your reloading press is securely mounted and stable.
2. Install the Full Length Bushing Die into the press according to the manufacturer's instructions.
3. Select the appropriate neck size bushing and insert it into the die.

- **Usage:**

1. Prepare your brass cases by cleaning and inspecting them for defects.
2. Insert a brass case into the die and operate the press to resize the case.
3. Remove the resized case and repeat the process as needed for all cases.

4. Use the Seater Die to properly seat the bullet into the resized case.
5. Store all components, including neck bushings, in a designated storage box when not in use.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of reloading materials in regular trash. Follow specific guidelines for hazardous materials where applicable.
- Ensure that all spent primers and unused powder are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any safety inquiries or support related to the Hornady Match Grade Rifle Die Set, please refer to the manufacturer's website or customer service resources. Ensure you have the product details on hand for efficient assistance.

By following these guidelines, you can ensure a safer reloading experience with your Hornady Match Grade Rifle Die Set. Stay informed, stay safe, and enjoy your reloading journey.
