# Safety Instruction Guide for MATCH GRADE RIFLE DIE SETS 300 NORMA MAGNUM FULL LENGTH 2DIE SET

## Introduction

Thank you for choosing the Hornady Match Grade Rifle Die Sets. This guide provides essential safety instructions and guidelines to ensure your safe and effective use of the product. Please read this document carefully before using the die set.

## General Safety Guidelines

- Follow all instructions provided in this manual to ensure safe use.
- Ensure that the die set is used only for its intended purpose.
- Keep the die set out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Regularly inspect the die set for any signs of wear or damage. Do not use if damaged.
- Always work in a wellventilated area to avoid inhalation of any dust or fumes.
- Store the die set in a secure location when not in use to prevent unauthorized access.

## Specific Safety Precautions for Use

- Ensure your work area is clean and organized to prevent accidents.
- Do not overload the die set beyond its specified limits.
- Always follow the manufacturer's specifications for the caliber and type of ammunition you are loading.
- Be cautious of potential pinch points when operating the press.
- Avoid distractions while operating the die set to maintain focus and safety.
- If you are inexperienced with reloading, seek guidance from a qualified individual or training resource.

## Instructions for Installation and Usage

### 1. Unpacking the Die Set

- Carefully remove the die set from its packaging.
- Check for all included components: Full Length Bushing Die, Seater Die, and Storage Box. Note that neck bushings are sold separately.

### 2. Setting Up the Die Set

- Securely mount the press to a stable work surface.
- Install the Full Length Bushing Die into the press according to the manufacturer's instructions.
- Adjust the die to the desired depth for sizing cases.

### 3. Using the Die Set

- Insert a case into the press and operate the handle to size the case.
- Replace the Full Length Bushing Die with the Seater Die for bullet seating.
- Follow the specific instructions for adjusting the seater die to ensure proper bullet seating depth.

### 4. PostUsage Care

- Clean the die set after each use to remove any debris or residue.
- Store the die set in the provided storage box to protect it from damage.

## **Disposal Instructions**

- Dispose of any damaged or unusable parts of the die set in accordance with local regulations.
- Do not dispose of reloading materials or components in regular household waste. Follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the Hornady Match Grade Rifle Die Sets, please refer to the manufacturer's contact details provided on the packaging or official website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your Hornady Match Grade Rifle Die Sets. Always prioritize safety and seek assistance if you have any doubts or questions about the use of this product. Thank you for your attention to safety, and happy reloading!
